Jane Friedman

Goodreads Choice Last 90 Days Tutorial:

Social eCommerce Stephan Spencer, Jimmy Harding, Jennifer Sheahan, 2014-08-01 Want to make money online Then ignore social media at your own risk Social media is vital if you want to your business to thrive and though you can t control the conversations you can influence them This book will teach you how If mismanaged social media can create more noise than signal It can be a time and energy suck for you and your audience Or worse still it can become an echo chamber for negative PR If done well guerrilla social media marketing can help you persuade command attention establish dialogue differentiate yourself capture new markets and outmaneuver the competition all on a shoestring budget Whether you re selling digital goods and services physical goods or local services this book has the answers Strategize and optimize your social presence in ways you didn t know were possible Drive more clicks and sales with better performing Facebook ads Develop remarkable content with viral potential Manage your online reputation instead of letting it manage you Integrate social media into your SEO strategy and vice versa Leverage online influencers to promote your brand and become an influencer yourself

Publishing 101 Jane Friedman, 2014-12-04 Learn the basics of the publishing industry

Contemporary Publishing and the Culture of Books Alison Baverstock, Richard Bradford, Madelena Gonzalez, 2020-01-16 Contemporary Publishing and the Culture of Books is a comprehensive resource that builds bridges between the traditional focus and methodologies of literary studies and the actualities of modern and contemporary literature including the realities of professional writing the conventions and practicalities of the publishing world and its connections between literary publishing and other media Focusing on the relationship between modern literature and the publishing industry the volume enables students and academics to extend the text based framework of modules on contemporary writing into detailed expositions of the culture and industry which bring these texts into existence it brings economic considerations into line alongside creative issues and examines how employing marketing strategies are utilized to promote and sell books Sections cover The standard university course specifications of contemporary writing offering an extensive picture of the social economic and cultural contexts of these literary genres The impact and status of non literary writing and how this compares with certain literary genres as an index to contemporary culture and a reflection of the state of the publishing industry The practicalities and conventions of the publishing industry Contextual aspects of literary culture and the book industry visiting the broader spheres of publishing promotion bookselling and literary culture Carefully linked chapters allow readers to tie key elements of the publishing industry to the particular demands and features of contemporary literary genres and writing offering a detailed guide to the ways in which the three core areas of culture economics and pragmatics intersect in the world of publishing Further to being a valuable resource for those studying English or Creative Writing the volume is a key text for degrees in which Publishing is a component and is relevant to those aspects of Media Studies that look at interactions between the media and literature publishing

The Trumping of America Pamela Hines, 2018-08 Trump

alone is not to blame How does it reflect on North American societal values when wealth trumps humanity selfish individualism trumps compassion the need to be entertained and to win trumps the truth and racism and misogyny are rewarded with the most powerful position in the world The political rise of Donald Trump from the cutthroat Republican primary process to his move to the White House has ushered in a new age of politics in the United States This is a comprehensive analysis of the events surrounding the 2016 presidential election and the unprecedented first year of Donald Trump s presidency Pamela Hines highlights the growing distortion of American democracy which threatens political systems around the world As a Canadian living just across the border Hines provides a unique perspective on the international impact of the election explores the roles of religion racism nationalism and gender bias and critiques the media and its reckless coverage of Trump s ascension The Trump presidency is a wake up call to citizens of the free world Democracy is at risk yet power remains in the hands of the people This assault on democracy can be curtailed only if voters make informed decisions and understand the consequences of their choices while they still have the right to choose Why Asthma is Not a Lung Disease Daniel Ares,2019-03-11 Just a short while back I was dysfunctional I needed a walker around the house I couldn t bend I could barely move Short of my eighties I now knew what it was like being near the end near dying When you are old the idea of dying is a frequent visitor I was wrong Whatever was wrong with me is today also wrong with much younger people The modern world does not do us favors in some ways I have learned and it is human ingenuity at fault I am writing about that too among other things Some of the subjects discussed in this book in lay language Asthma Allergies Digestion Back pains Skin issues Acid Reflux Sleep Apnea Autoimmunity Fungal infection Perhaps the information in this book will also help you your loved one or a friend back to better health and functionality *Subject Guide to Books in Print* ,2001

Changing Paths Yvonne Aburrow,2023-04-11 Are you leaving a religion entering Paganism leaving Paganism changing traditions within it or leaving religion altogether Changing Paths is a companion for the journey How do you explain your new path to friends family former co religionists and yourself How do you extricate yourself from your previous tradition and its associated ideas How do you unpack your complex feelings about your path and why you are changing direction Individuals have many reasons for leaving a faith including being in conflict with bad theology bristling against a high control religion and disagreeing with conservative positions on gender sexuality and the body Changing Paths offers resources for examining religious attitudes to gender sexuality other religions and whether your religion supports you effectively through life s ups and downs There are various routes into Paganism and Changing Paths offers resources on how to decide which tradition is right for you how you know you re a member of a group and reasons for joining a group or not Exercises journal prompts and reflections explore how to deal with unexamined baggage from your previous tradition the role of leaders and how to find a beloved community You aren t alone in your journey A range of contributors who have trod this same path from a former Christian who is now a Wiccan to a former Pagan who now avoids labels also share their experience and wisdom

Hearing the deepest longings of our lives can be especially tough when trying to find our spiritual home but thankfully Yvonne Aburrow's excellent new book *Changing Paths* is here to help us. In this book Yvonne invites us to a position of spiritual adulthood where our personal choices and preferences are honored as an expression of who we are and aspire to be. Steve Dee Blog of Baphomet *Changing Paths* fills an important need in the Pagan community: a guidebook for how, when, and why to change your path, whether that's within or outside Paganism. Compassionate and personal, this guide offers helpful journaling prompts and meditations for the reader to find the path that is right for them based on where they are in their own spiritual journey.
