The Born Again Runner Pete Magill, 2016-10-09 Pete Magill's *The Born Again Runner* is a one of a kind guide for everyone who wants to run but feels they can't. As a drug addled young man Pete Magill once found himself in the ER with his body telling him to give up. Taking up running seemed impossible but he willed himself to do it anyway. Magill went on to become one of the fastest masters runners ever a multi USA Masters Cross Country Runner of the Year and a sought after coach. Over a glowing albeit hard won career he has heard every excuse people use to stop running or never start from achy knees and sore ankles to advanced age and arthritis to too many cigarettes or years on the couch. In every case Magill's best advice is to do what he did. Run anyway at a pace and mileage that work. Through inspiration science and anecdote Magill gets runners out the door through personal action plans he sets them on the right path and through the best exercises to protect and rehabilitate the body he keeps them going showing a way forward for new and sidelined runners who haven't before realized how close they are to fun and pain free running. Whether you're just starting out as a runner or starting afresh you can do no better than heed the guidance of running's ultimate comeback kid Pete Magill as presented in *The Born Again Runner*. Matt Fitzgerald award winning co author of *Pain Performance*. Myths are busted and excuses are denied. It will be pretty difficult to deny Magill so just get out there start and stay with your running regime. Portland Book Review

State, 1989 **Women's Health Lift to Get Lean** Holly Perkins, 2015-04-14 Research shows that building muscle helps the body burn more calories 24/7 and that resistance training is the most effective way to torch body fat. Yet that message is still lost on many women who fear that weight lifting will make them bulky, turn their skin green and give them Incredible Hulk muscles like their boyfriends. Women have more options than step aerobics or running on a treadmill to shed pounds. They can weight train in a very specific manner designed to make the most of a woman's unique physiology. *Lift to Get Lean* is the first beginner's guide to strength training from Women's Health that is written specifically for women by a woman. Holly Perkins is a certified strength and conditioning specialist CSCS who has been teaching the fat burning secrets of weight training exclusively to women for more than 20 years. Perkins doesn't follow men's rules when it comes to building muscle. *Lift to Get Lean* delivers a three step system: Technique, Movement, Speed and the Last 2 Reps Rule which make all the difference in developing the kind of strong, lean and sexy body women want. Perkins offers four different 90 day training programs that efficiently build functional strength along with leaner legs, stronger arms and a sexier butt. **The Dark Side of the Coin** Ted Powers, 2011-07 **Hearings on National Defense Authorization Act for Fiscal Year 1995** United States.
