Enhancing Intergenerational Social Connections Using Shared Common Values
Chandan, Harish Chandra, 2025-11-07 In an increasingly fragmented and fast paced world strengthening connections between generations has become both a challenge and a necessity for today's world One powerful yet often overlooked way to bridge generational divides is through the recognition of shared common values such as shared likes and responsibilities common interests and community development These core principles transcend age and time offering a foundation upon which meaningful relationships can be built and sustained By focusing on unification this approach may help build a deeper understanding and renewed sense of belonging across generations Enhancing Intergenerational Social Connections Using Shared Common Values explores social connections as meaningful interaction between individuals from different generations within families communities and societies It explores how shared interests among generations promotes intergenerational social connections and offers opportunities for mentorship shared wisdom and a sense of belonging in communities Covering topics such as judicial systems social values and intergenerational solidarity this book is an excellent resource for sociologists academicians researchers and scientists

TikTok and Youth Cultures
Crystal Abidin, 2025-11-04 Using anthropological methods to produce deep and insightful ethnographies about TikTok and its core users TikTok and Youth Cultures will help readers develop a critical understanding of TikTok's impact on society its place in the social media landscape and its cultural relevance around the world

Global Business Yongsun Paik, Dong Chen, William Newbury, Dan Prud'homme, 2025-09-18

This textbook is designed to help students recognize and analyze key issues in global business by bridging theory with real world applications. Divided into three parts it explores critical aspects of global business introducing readers to relevant topics and examining core concepts and their applications through about 40 case studies. Since the first edition was published in 2017 the global business landscape has undergone profound transformations reshaping how companies operate compete and innovate. This new edition incorporates critical developments in the aftermath of the COVID 19 pandemic to provide leaders with a comprehensive understanding of today's global business environment. New and updated case studies illustrate the magnitude and complexity of global business highlighting the roles of various stakeholders. In addition to insights on emerging markets this edition sheds new light on reglobalization economic nationalism and geopolitical tensions technological innovation and digital transformation and sustainability enabling readers to stay informed about ever evolving trends. By demonstrating how theories and concepts work in real world business settings this book provides readers with the essential tools to analyze and respond to global business challenges effectively. Undergraduate students looking for an introduction to international business and graduate students looking to apply their knowledge will find *Global Business* stimulating as it demonstrates how theories and concepts work in realworld business settings.

Antisemitismus in den Sozialen Medien

Monika Hübscher, Sabine von Mering, 2024-06-17 Soziale Medien haben die Verbreitung von Antisemitismus revolutioniert. Algorithmisch verstärkt verbreitet sich Antisemitismus auf den Plattformen in Sekundenschnelle kostenlos und global. Die daraus resultierende Gefahr für Jüdinnen und Juden ist eine große gesellschaftliche Herausforderung. Das Buch gibt Einblicke in Fallstudien auf verschiedenen Plattformen und zeigt wie soziale Medien durch die Verbreitung antisemitischer Inhalte von politischen Akteuren instrumentalisiert werden. Es werden innovative Methoden und Tools wie CrowdTangle oder Voyant Tools und neue Konzepte Social Media Literacy zur Tertiären Antisemitismus Antisemitische Eskalation vorgestellt und Strategien um Antisemitismus auf den Plattformen zu bekämpfen kritisch evaluiert. Dieses Buch bietet eine umfassende Einführung für alle die sich mit der Problematik Antisemitismus in den

sozialen Medien auseinandersetzen wollen Dis.Ordering Distribution Cornelia Storz,Vinzenz Hediger,Matthias Krings,2025-09-23 Dis Ordering Distribution explores the intricate relationship between distribution and production drawing on empirical evidence from two vibrant centers of cultural production Africa and Asia **Dance in US Popular Culture** Jennifer Atkins,2023-07-21 This innovative textbook applies basic dance history and theory to contemporary popular culture examples in order to examine our own ways of moving in and through culture By drawing on material relevant to students Dance in US Popular Culture successfully introduces students to critical thinking around the most personal of terrain our bodies and our identities The book asks readers to think about what embodied knowledge we carry with us and how we can understand history and society through that lens what stereotypes and accompanying expectations are embedded in performance related to gender and or race for instance how such expectations are reinforced negotiated challenged embraced or rescripted by performers and audiences how readers articulate their own sense of complex identity within the constantly shifting landscape of popular culture how this shapes an active sense of their everyday lives and how this can act as a springboard towards dismantling systems of oppression Through readings questions movement analyses and assignment prompts that take students from computer to nightclub and beyond Dance in US Popular Culture readers develop their own cultural sense of dance and the moving body s sociopolitical importance while also determining how dance is fundamentally applicable to their own identity This is the ideal textbook for high school and undergraduate students of dance and dance studies in BA and BfA courses as well as those studying popular culture from interdisciplinary perspectives including cultural studies media studies communication studies theater and performance studies Chapter 11 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution CC BY 4.0 license

Industry insiders Steve Marcone and Dave Philp tackle the work and knowledge required of an artist manager and band member focusing on earning revenue from an artist's three major revenue streams: songwriting and publishing, live performance and recording. The book investigates the roles of the many industry intermediaries illustrating how many of today's artists, including DIY artists, function as their own entertainment companies. This seventh edition includes updated information for the twenty-first century artist and manager, including key information on the impacts of COVID-19 on the industry. New sections and chapters include: The twenty-first century DIY manager, The live ecosystem, Music publishing, Social media Analytics offered by streaming services. Each chapter includes learning objectives, a summary and suggested projects for course usage. For access to the free instructor's manual, which includes a sample syllabus and test questions, please email textbooks@rowman.com. **How to Earn \$1000 with TikTok: Turning Viral Videos into \$1000 Monthly** Martín

Arellano, **Douyin, TikTok and China's Online Screen Industry** Chunmeizi Su, 2023-09-22 TikTok has drawn attention from all over the world. Even if you have never used it before, you would still be familiar with its name. Many people have assumed that it is a US-generated platform and normally awed at its real origin: a Chinese-born and operated platform, a sister or parallel platform of Douyin. Because of the short video platform TikTok and also its dispute with the US government, people have started to pay attention to what is really happening and changing in China. Two questions that hang over everyone's mind seem to be: why China? And why TikTok? This book attempted to answer the question of why short video platforms such as TikTok, the most popular made in China, product of all the Chinese digital platforms, became a significant competitor on the global stage. This book explores the reasons behind the rise of short video platforms in China, with a focus on the sudden and unexpected success of TikTok and its parallel platform Douyin. Beginning with the historical development of China's online screen industry, the book goes on to investigate the ICT industry, its business models and impact on the screen industry, to unfold the reasons behind the domestic popularity of Douyin. It draws on a spectrum of sources, including policy documents, industry reports and expert analysis, which is supplemented by interviews with key people in the field. It traces the changing dynamics of the Chinese online screen ecology and shows how a mixture of technological, industrial and cultural factors contributed to the proliferation of short video platforms in China. This engaging and topical book will be ideal reading for students and scholars of media and communication studies, platform studies and political economy studies.

TikTok D. Bondy, Valdovinos Kaye, Jing Zeng, Patrik Wikström, 2022-06-16 Since its acquisition and rebranding in 2018, TikTok has become one of the fastest growing platforms in the world. Moreover, it's the first Chinese-developed platform to find mainstream international success, carving its own niche in the global short video industry. In the first comprehensive exploration of TikTok, Kaye, Zeng and Wikström provide a history of the emergent genre of short video and situate the platform within the cultures and controversies that have accompanied its dramatic growth. They provide an extensive overview of TikTok's functions and uses, the diverse markets in which the platform operates and the issues of governance that

have impacted its expansion. Once thought to be just for kids, the authors illustrate how TikTok is further transforming platform cultures and the dynamics of broader creative industries. TikTok, the authors argue, represents an evolutionary step in the way culture is produced and consumed on digital platforms. This timely book is essential reading for students and scholars in media and communication studies and for anyone who has been captivated by the global growth of TikTok and short video.
