Loeffler, 2014-02-04 *A Guide to Preparing Cost Effective Press Releases* is an instructional approach to writing and effectively using the press release. It offers suggestions and recommendations for creating basic press releases and details how the release can extend the life of an ad campaign, providing a high degree of publicity at low cost. In an age of great emphasis on high performance, cost effectiveness, measurable success, and fast results, this book explains how a well-developed press release program can supercharge an advertising program. Loeffler discusses the mechanics of writing press releases, providing the press release writer with a diagrammed writing approach for clear structure, a list of do's and don'ts to prevent common errors, samples of the most common types of releases, a step-by-step explanation of release production, so as not to overlook important tasks for completion, suggestions on how to write related releases such as tradeshow press kits.
