Anxiety Relief Today Returns:

A Returning Soldier, Now What? , God's Return on Investment Mark Ervin,2023-02-23 God s Return On Investment is based on the perception that God is constantly involved in our lives and is training us to understand what He and Jesus did for us and do for us In order to gain insight into the spiritual realm where God wants us to have a relationship with Him He utilizes what we understand through physical properties In other words what we are familiar with that occurs in our day to day lives is actually just examples of what God wants us to understand spiritually This book takes us through the journey of our lives from birth to death by utilizing the aspect of returns that occur in each phase of our life God put this property of returns into His plan before Adam and Eve sinned in the Garden of Eden Before the sin was committed He established the way for revitalizing the originally intended relationship between Him and us through His son Jesus Now He wants us to see through physical returns what has been done for us by way of His investment The things that went wrong in the Garden of Eden are counteracted by our human representative in the Garden of Gethsemane Why has He done all of this Because He has always loved us and wants us to love Him as was originally intended before sin entered the world

A Favor Returned Duke Southard, 2016-06-06 Jennifer Proctor a wispy yet hauntingly beautiful young girl of ten already qualified as one of those rare saints on earth She had developed a sense of compassion far beyond her years and unlike most children her age is completely unselfish When she innocently applies a gift that she neither understands nor wants to save a young boy's father from certain death in a racecar accident Jennie affects the destiny of a whole family in ways she could not have dreamed Only when her path crosses once again with Ross Becker years later does she learn of the powerful impact her kind spirited intervention had on so many people and how he must now return her favor Set between 1940 and 1963 A Favor Returned captures the changing dynamics of families communities and the country in the post World War II era as prosperity and a confidence bordering on arrogance seemed to envelope the nation The historical background mingles with the thread of possibility that there truly may be people on this earth who are in the world but not of it people whose decency and honesty appear too good to be true Coupled with this is the unsettling possibility that unselfish saints on earth may set into motion devastating and tragic consequences Jennifer Proctor firmly believes that there is a loving God who has placed some people on earth to help others be happier but time and again she must face the frustrating fact that He doesn't explain how the process is supposed to work When Ross Becker is faced with the final heart wrenching dilemma of A Favor Returned he at last realizes the desperate and utter truth of Jennie's frustration
