Song Interpretation in 21st-Century Pop Music Ralf von Appen,André Doebling,Allan F. Moore,2016-03-03 Existing books on the analysis of popular music focus on theory and methodology and normally discuss parts of songs briefly as examples The impression often given is that songs are being chosen simply to illuminate and exemplify a theoretical position

In this book the obverse is true songs take centre stage and are given priority The authors analyse and interpret them intensively from a variety of theoretical positions that illuminate the song Thus methods and theories have to prove their use value in the face of a heterogeneous contemporary repertoire The book brings together researchers from very different cultural backgrounds and encourages them to compare their different hearings and to discuss the ways in which they make sense of specific songs All songs analysed are from the new millennium most of them not older than three years Because the most widely popular styles are too often ignored by academics this book aims to shed light on how million sellers work musically Therefore it encompasses a broad palette highlighting mainstream pop Lady Gaga Ke ha Lucenzo Amy McDonald but also accounting for critically acclaimed indie styles Fleet Foxes Death Cab for Cutie PJ Harvey R B Destiny s Child Janelle Monae popular hard rock Kings of Leon Rammstein and current electronic music Andr s Bj rk By concentrating on 13 well known songs this book offers some model analyses that can very easily be studied at home or used in seminars and classrooms for students of popular music at all academic levels

[TikTok For Business](#) Raymond Wayne,2022-09-17 Are You Ready To Make Your Business Go Viral With TikTok It s About Time For You To Learn And Dominate TikTok Marketing For Business According to the information presented on the website BusinessOfApps com the number of active TikTok users topped 1 2 billion in the month of March 2022 Over six hundred and fifty million people had downloaded the TikTok app by the time the year 2021 came to a close and

2022 began TikTok users spent a total of 2.3 billion in 2021 in the form of consumer spending on the platform. One of the reasons for TikTok's appeal is the short video format which is quite popular particularly among younger people. This format has gained a lot of traction in recent years. Because TikTok today has more than 1.2 billion active users it is highly likely that you will be able to locate your target demographic on the network. You are able to locate TikTok influencers that are already well known on the network and collaborate with them to target certain geographic areas. A user is considered to be a micro influencer by TikTok if they have at least 10,000 followers and it is common for these individuals to have a sizable following in the region in which they reside. However it is essential that you have the right mindset and that you develop the necessary skills in order to be able to use TikTok to make your business go viral. Getting the marketing plan for your TikTok channel just right is not a simple feat. On TikTok numerous companies have wasted their time and resources attempting to sell their brands, products and services. If you want to get the most out of your efforts to promote your company on TikTok and to create videos for it you need to educate yourself on how to do so in the most effective manner. You have a responsibility to educate yourself on the advantages of incorporating TikTok into your online marketing approach as well as the means by which you can amass a greater number of views and followers. Here's where my advice for you comes in. You will approach the promotion of your business on TikTok and the creation of videos in the right way to achieve the best results. You will learn the benefits of adding TikTok to your online marketing strategy. You will be able to gain more views and followers on TikTok. You will learn proven techniques to get the best results from TikTok. You will learn the TikTok marketing mistakes that you need to avoid. Plus a whole lot more. To make it easy I've put together a step by step guide that will show you exactly how it's done.
