Turow also pleases the mind with well written and amusing stories interviews and behind the scenes anecdotes that bring to
life in an eminently readable style the fascinating world of TV medicine David Foster M.D. supervising producer writer and
medical consultant for House Joseph Turow takes us behind the scenes of such hit television series as ER Grey's Anatomy and

history of TV medical series and presents a compelling argument for telling more truthful medical stories in the future to
reflect and address the precarious state of our health care system today Neal Baer M.D. executive producer of Law Order
