Once Upon A Moonbeam:

Once Upon a Plaid Mia Marlowe, 2014-10-01 A wife may be courted too Many would count Katherine Douglas fortunate indeed Laird William Douglas is broad shouldered gentle handed everything a lass could dream But after four years of marriage Katherine still knows little of what goes on in his heart And she has yet to bear him an heir The distance between them is too great and so she flees over the snowy highlands to Glengarry Castle home of her childhood to set her husband free But William won't let his wife slip away without a fight Before long he sits at her father's threshold himself witness to the rumbles of discontent in Glengarry the bright joy of Yuletide at a family hearth and the hidden needs of his own beloved Praise for Mia Marlowe and her novels I absolutely loved it Victoria Alexander on *Touch of a Thief* A wonderful tale for Christmas New York Times bestseller Hannah Howell on *Plaid Tidings*

Once upon a Dream Nora Roberts, Jill Gregory, Ruth Ryan Langan, Marianne Willman, 2000-11-01 1 New York Times bestselling author Nora Roberts presents four romantic stories of impossible dreams come true In Nora Roberts's *In Dreams* a beautiful young woman is drawn to a castle in the forests of Ireland and becomes the link to a stranger's past and the curse

that has trapped him forever in the eternity of his own dreams In Jill Gregory s *The Sorcerer s Daughter* the fate of a captive wizard depends on his lovely daughter and the intentions of a spellcast adventurer who dreams of a priceless treasure and a love that could be the greatest reward of all In Ruth Ryan Langan s *The Enchantment* two strangers seek refuge in an abandoned estate on a storm swept night only to discover that their most elusive dreams of romance are as enchanted and as real as true love itself In Marianne Willman s *The Bridge of Sighs* an American art appraiser becomes haunted by dreams of a lonely young girl while visiting Venice a vision that illuminates a tragic past and a future of endless love *Catalog of Copyright Entries* ,1942 *Kathi on the Moon Beam* Patricia Kirwin Renaud,2013-11-14 The year was 1959 the dawn of a new and the most exciting era in the history of the world but no one knew it yet Least of all a young couple very much in love with two beautiful baby daughters headed for Italy on a secret mission to protect Europe from our Cold War enemy that evil empire the Soviet Union It was during this time I began all the stories of Kathi on the Moonbeam The stories remain in the family to this day *Lyrics* Sting,2009-07-16 From the first Police album *Outlandos D Amour* through *Sacred Love* here are the collected lyrics written by Sting along with his commentary Publishing my lyrics separately from their musical accompaniment is something that I ve studiously avoided until now The two lyrics and music have always been mutually dependent in much the same way as a mannequin and a set of clothes are dependent on each other separate them and what remains is a naked dummy and a pile of cloth Nevertheless the exercise has been an interesting one seeing perhaps for the first time how successfully the lyrics survive on their own and inviting the question as to whether song lyrics are in fact poetry or something else entirely And while I ve never seriously described myself as a poet the book in your hands devoid as it is of any musical notation looks suspiciously like a book of poems So it seems I am entering with some trepidation the unadorned realm of the poet I have set out my compositions in the sequence they were written and provided a little background when I thought it might be illuminating My wares have neither been sorted nor dressed in clothes that do not belong to them indeed they have been shorn of the very garments that gave them their shape in the first place No doubt some of them will perish in the cold cruelty of this new environment and yet others may prove more resilient and become perhaps more beautiful in their naked state I can t predict the outcome but I have taken this risk knowingly and while no one in their right mind should ever attempt to set *The Waste Land* to music in the hopeful words of T S Eliot These fragments I have shored against my ruins Sting from the Introduction *Once Upon an Enchantress* Hermione Lee,2022-11-20 *Enchantress* Sharon Gale craves a plain ordinary life free of troubles however her life is everything but peaceful In this humorous tale she and her boyfriend Samuel embark on an adventure to rescue their best friend who was kidnapped by a monster And yet this journey is a key that unlocks doors leading to the unknown Befriending new acquaintances that bring the promise of more missions to come the bumps and bends in her life never cease to amaze yet sometimes frustrate her When history propels Sharon and her friends to match their wits against the evil fairy rulers of the magic kingdom
