One Party Government Princeton Legacy Library

L Darling-Hammond

One Party Government Princeton Legacy Library:

One-Party Government in the Ivory Coast Aristide R. Zolberg, 2015-12-08 Professor Zolberg brings the factual material about the Ivory Coast's social economic and political development since 1961-1962. Originally published in 1964, The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905. **India in Search of Glory** Ashok Lahiri, 2023-01-23 India and the Indians have made some

progress in 75 years after Independence. The number of literates has gone up. The Indians have become healthier and their life expectancy at birth has gone up. The proportion of people below the poverty line has also halved. But the shine from the story fades when India is compared with that of the East Asian Tigers and China. It looks good but not good enough. India looks far away from the glory it seeks. This issue forms the core subject matter of this book. It tries to argue why India could not achieve more and what all it could have achieved. It paints a picture of its possible future and highlights the areas that need immediate attention. **Tension, Dilemma and Conflict in Party-Candidate Campaign Strategies** Lukas

Hohendorf, 2025-06-30 This book examines the campaign communication of political candidates in parliamentary democracies set within the broader trends of globalization and political personalization. It explores how district candidates balance local voter preferences, national party demands, and personal beliefs in their campaigns. Using Germany as a case study and drawing on a wide range of data sources, the book reveals how situational factors such as electoral rules, candidate experience, and local party organization influence campaign strategies. It demonstrates how campaign positions in parliamentary democracies often deviate from national party stances with implications on party unity and democratic representation. Framed by the pressing challenges of regional divergence and the rise of political personalization, the book shows why studying individual candidate behavior rather than simply focusing on party leaders is crucial for understanding modern democratic systems. This book will be a key resource for scholars, students, and practitioners in the fields of political parties and elites, electoral studies, political communication, and more broadly comparative politics. **Fanatisme,**

Patriotisme et Politique Dr Ley G. Ikpo, 2023-03-26 Apr s plusieurs ann es de troubles sociopolitiques en C te d Ivoire les Ivoiriens sont convi s de nouveau honorer la voie des urnes au cours de la nouvelle ann e 2023. Cette comp tition politique consiste lir ou reconduire les anciens tout comme les nouveaux maires et administrateurs r gionaux des diff rentes communes de la ville d Abidjan ainsi que les circonscriptions et r gions l chelle nationale. Les lections municipales et r gionales pr vues pour Mars 2023 sont report es au mois d Octobre de la m me ann e. Cependant les pr paratifs en vue de conduire bien ces scrutins se d roulent dans un climat de m fiance. Les pi ces d identit et autres attributs r pondant aux

exigences qui garantissent un vote municipal et régional apais sont plus ou moins réunis dans l'ensemble Les partis politiques sont en plein dans la réorganisation de bureaux administratifs pour la nomination des candidats aptes représenter dignement et valablement l'organisation politique pour une victoire excommuniée Les sympathisants de parti politique eux leur tour répondent vivement présents aux différents meetings et réunions de sections de base et nationale Les campagneslectorales auront lieu au mois d'Octobre bien avant les comptations des urnes Ayant toujours en esprit des graves violences et de pertes en vie humaines et de dégâts matériels lors du déroulement des scrutins de 2010 et de 2020 la société civile ivoirienne est plus ou moins avertie des maux de manque de civisme politique et morale La Côte d'Ivoire qui depuis plus de trois décennies est victime de clivages sociaux se doit de s'entendre aux règles strictement démocratiques au sens propre du terme pour des scrutins pacifiques comparativement aux précédents L'année 2023 doit constituer un signe annonciateur de la réconciliation pour la nation ivoirienne qui jadis avait pour symbole la paix

The One-Party Presidential Contest

Donald Ratcliffe, 2021-01-09 The election of 1824 is commonly viewed as a mildly interesting contest involving several colorful personalities John Quincy Adams Andrew Jackson Henry Clay John C Calhoun and William H Crawford that established Old Hickory as the people's choice and yet through bargain and corruption deprived him of the presidency In The One Party Presidential Contest Donald Ratcliffe reveals that Jackson was not the most popular candidate and the corrupt bargaining was a myth The election saw the final disruption of both the dominant Democratic Republican Party and the dying Federalist Party and the creation of new political formations that would slowly evolve into the Democratic and National Republicans later Whig Parties thus bringing about arguably the greatest voter realignment in US history Bringing to bear over 35 years of research Ratcliffe describes how loyal Democratic Republicans tried to control the election but failed as five of their party colleagues persisted in competing in novel ways until the contest had to be decided in the House of Representatives Initially a struggle between personalities the election evolved into a fight to control future policy with large consequences for future presidential politics The One Party Presidential Contest offers a nuanced account of the proceedings one that balances the undisciplined conflict of personal ambitions with the issues principles and prejudices that swirled around the election In this book we clearly see perhaps for the first time how the election of 1824 revealed fracture lines within the young republic and created others that would forever change the course of American politics

Whatever Happened to Party Government?

Mark Wickham-Jones, 2018-07-05 The contentious history of a provocative report and its meaning for American political science *Eastern Europe, the Soviet Union, and Africa* Chris Saunders, Helder Adegar Fonseca, Lena

Dallywater, 2023-04-27 It is now widely recognised that a Cold War perspective falls short in unfolding the complex geographies of connections and the multipolarity of actions and transactions that were shaped through the movement of individuals and ideas from Africa to the East and from the East to Africa in the decades in which African countries moved to independence Adopting an interdisciplinary transregional perspective this volume casts new light on aspects of the role of

Eastern Europe and the Soviet Union in the decolonisation of Africa Taking further themes explored in a collection of essays published by the editors in 2019 the twelve case studies by authors from South Africa Czech Republic Portugal Russia Hungary Italy Canada Serbia and Germany draw on new sources to explore the history of the ties that existed between African liberation movements and the socialist bloc some of which continue to influence relationships today Chapters contribute to three relevant main themes that resonate in a number of scholarly fields of inquiry ranging from Global Studies Transregional Studies Cold War Studies Global History to African Studies Eastern European Russian and Slavic Studies Reconsiderations Resources and Reverberations Drawing upon newly opened archives and combining transregional perspectives with sources in different languages chapters explicitly point out the shortcomings of past research and debates in the respective field They highlight new avenues which have been developing and which need to be further developed Reconsiderations Selected case studies address the resources of those being active and involved in decolonisation processes be it in East North West and South They reveal Which resources both material and intellectual are the actors drawing upon On the other hand From which resources are individuals on one side or the other reciprocally or intermittently intentionally kept away Resources Finally the third theme puts an emphasis on the historicity of the processes depicted Studies point to the gaps and dead ends of international support the paths that peter out but also to repercussions and reverberations up until today Reverberations Taken these three themes together the individual chapters contribute to the overall question of Which general historical narratives about the second half of the 20th century are changing based on these new research findings

Ideological Flexibility of Political Parties in the Era of Transnational Cleavage Alessio

Scopelliti, 2025-02-04 This book provides a comprehensive analysis of how the parties of Lega and Rassemblement National have adjusted their ideologies over a four decade period to adapt to the new transnational cleavage in Western Europe the conflict between pro EU and anti EU sentiments It sheds light on their ability to change ideological positions policy stances and adopt strategic shifts in response to the evolving political landscape Drawing from a rich array of sources the book challenges the perception of established radical right parties as inflexible revealing their significant ideological adaptability As such it offers a richer understanding of the dynamics within the radical right party family This book is of key interest to scholars and students of Euroscepticism the Radical Right party politics and more broadly to European and comparative politics

Reports of Cases Decided in the Court of Appeals of the State of New York New York (State). Court of Appeals, 1878

Delivering Justice Sibnath Deb, G. Subhalakshmi, 2020-09-30 This book critically analyzes emerging issues and challenges in delivering timely justice to common people It brings a wide range of contemporary and relevant issues relating to the gross violation of human rights and presents situation based evidence from and first hand experiences of behavioral social and legal professionals It deals with themes such as holding administrations accountable and securing justice challenges for the judiciary in the early disposal of cases challenges to the forensic community green federalism and

environmental justice current threats to human rights ethics in the criminal justice system and honor killing from socio cultural perspectives Topical and comprehensive this book will be an excellent read for scholars and researchers of political studies legal studies human rights psychology behavioural studies political sociology sociology development studies governance and public policy environmental studies and South Asian studies It will also interest policymakers

nongovernmental organizations activists and professionals in the field **Valiant Judges, Iniquitous Law** Hans Petter Graver,2023-09-11 This book is about heroes of law It provides examples of when judges have exercised courage moderation wisdom and justice rather than blindly following the law It also discusses the contentious issue of whether a judge has a moral responsibility to defend the rule of law regardless of what the law actually states The work presents a collection of thirteen stories about judges who in different settings have stood up against the authorities and public opinion in the defence of the rule of law An introductory chapter sets the scene with two examples of situations gone wrong when those applying the law have just followed the demands of those in power The thirteen stories are followed by two theoretical chapters discussing the moral responsibility of the judge Finally the book explores the kind of ethical theory required to guide judges in the assessments they must make and the choices they have to take in order to fulfil their moral responsibilities It is argued that the classic virtues of courage moderation wisdom and justice are all qualities that can contribute to both sound judgment and reflection The book thus seeks to nurture a realistic culture and a tradition of cultivating lawyers who defend the rule of law Against a background where the history of our legal institutions when put to the test is largely nothing to be proud of the work seeks to change this by highlighting and reflecting on the exceptions The book will be illuminating reading for students and academics working in the areas of Jurisprudence Legal Ethics and Legal History **Stepping into the Elite** Jules

Naudet,2018-07-10 The experience of shifting from one social class to another from a dominated group to a dominant group raises the question of how the upwardly mobile person relates to his her group of origin Stepping into the Elite traces the particular ways in which upwardly mobile people in India France and the United States countries embodying three distinct stratification systems make sense of this change Given that people draw upon specific cultural tools or repertoires to analyse their world and situate themselves in it Naudet identifies the extent to which narratives of success vary from one country to another For instance he explains that while stories in a caste ridden society such as India hinge on the preservation of bonds with the original class in France they are centered on the idea that an upwardly mobile person is alienated from all social groups In the United States on the other hand the rhetoric of success is tinged by the ardent belief in the American society being classless A sociological journey in three different cultural contexts this book deftly ties the exploration of questions regarding transformation of social identity and views on being successful **English Rebels and Revolutionaries** Stephen

Basdeo,2022-06-16 Throughout history brave Englishmen and women have never been afraid to rise up against their unjust rulers and demand their rights Barely a century has gone by without England being witness to a major uprising against the

government of the day often resulting in a fundamental change to the constitution This book is a collection of biographies written by experts in their field of the lives and deeds of famous English freedom fighters rebels and democrats who have had a major impact on history Featured chapters include the history of Wat Tyler s Rebellion when an army of 50 000 people marched to London in 1381 to demand an end to serfdom and the hated poll tax Alongside Wat Tyler in this pantheon of English revolutionaries is Jack Cade who in 1450 led an angry mob to London to protest against government corruption There are three chapters on various aspects of the English Civil War during which the English executed their king Other rebel heroes featured include Thomas Paine the great intellectual of the American and French Revolutions Mary Wollstonecraft author of *The Rights of Woman* Henry Hunt who as well as the Chartists after him campaigned for universal suffrage William Morris the visionary designer and socialist thinker and finally the Suffragettes and Suffragists who fought for women s voting rights

The Routledge Handbook of Scandinavian Politics Peter Nedergaard, Anders Wivel, 2017-08-09 The Routledge Handbook of Scandinavian Politics is a comprehensive overview of Scandinavian politics provided by leading experts in the field and covering the polity the politics and the policy of Scandinavia Coherently structured with a multi level thematic approach it explains and details Scandinavian politics today through a series of cutting edge chapters It will be a key reference point both for advanced level students developing knowledge about the subject as well as researchers producing new material in the area and beyond It brings geographical scope and depth with comparative chapters contributed by experts across the region Methodologically and theoretically pluralistic the handbook is in itself a reflection of the field of political science in Scandinavia and the diversity of the issues covered in the volume The Routledge Handbook of Scandinavian Politics will be an essential reference for scholars students researchers and practitioners interested and working in the fields of Scandinavian politics European politics comparative politics and international relations

Putin's United Russia Party S. P. Roberts, 2012-03-12 From its inception in 2001 the United Russia Party has rapidly developed into a hugely successful organisationally complex political party and key component of power This book provides a much needed analysis on United Russia by exploring the role of the party in the Russian political system from 2000 to 2010 It explores the party empirically as an impressive organisation in its own right but also theoretically as an independent or explanatory variable able to illumine the larger development of dominant power politics in Russia in the same period The book creates a model to understand the role of political parties in electorally based political systems and shows how United Russia conforms to this model and importantly how the party also has unique features that affect its place in the political system The book goes on to argue that United Russia represents a virtual party hegemony an outcome of political changes occurring elsewhere and so a reversal of the typical relationship between parties and power found in comparative literature This has potentially far reaching implications for our understanding of party dominance in the twenty first century and also the sources of regime stability and instability

Constitutional Identity and Constitutionalism in Africa Charles

Manga Fombad, Nico Steytler, 2024 This book in the Stellenbosch Handbooks in African Constitutional Law series provides a critical analysis of existing paradigms concepts and normative ideologies of modern African constitutional identity *Food Insecurity and Revolution in the Middle East and North Africa* Habib Ayebe, Ray Bush, 2019-09-30 Food Insecurity and Revolution in the Middle East and North Africa studies the political economy of agrarian transformation in the eponymous regions Examining Egypt and Tunisia in detail as case studies it critiques the dominant tropes of food security offered by the international financial institutions and promotes the importance of small scale family farming in developing sustainable food sovereignty Egypt and Tunisia are located in the context of the broader Middle East and broader processes of war environmental transformation and economic reform The book contributes to uncovering the historical backdrop and contemporary pressures in the Middle East and North Africa for the uprisings of 2010 and 2011 It also explores the continued failure of post uprising counter revolutionary governments to directly address issues of rural development that put the position and role of small farmers centre stage **The Presence of God in the Works of William Wordsworth** Eliza Borkowska, 2020-11-29 Approaching Wordsworth writings from perspectives which have not been considered in critical literature this book offers a multiangled reflection on the technicalities of the poet s religious discourse including the methodology of The Prelude revision or Wordsworth s patent art of pious postscripts The book constitutes a self contained whole and can be read independently Simultaneously it creates an unusual duet with The Absent God in The Works of William Wordsworth whose six chapters follow this book s eight chapters like a sestet which complements the octave becoming thus a tribute to Wordsworth as one of the most prolific sonneteers in history Both monographs build their theses on Wordsworth s entire oeuvre and embrace the whole of his wide lifespan Their completion in 2020 coincides with several round anniversaries the 250th anniversary of Wordsworth s birth the 200th anniversary of The River Duddon and the 170th anniversary of the publication of his autobiographical masterpiece The Prelude The assassination of Patrice Lumumba Dr Ley G. Ikpo & Miss Jackline Seka Sahlberg, Congo a former Belgian colony at the beginning of the independence of the territory a brave and dedicated leader Patrice Emery Lumumba won the election and was appointed Prime Minister As the first Prime Minister of a democratic Congo the newly elected representative of the country filled with devotion had in mind to providing Congolese with a better future He therefore fought on behalf of Congolese His methods were disliked by the former colonizers for whom he became a danger to their interests in Congo after his speech on independence day on June 30 1960 Since then various plots were arranged against him to be killed Those conspiracies never succeeded against him since they were unfortunately aborted for the most The country fell into a state of incredible disrepair due to recurrent oppositions since September 14 of that year Soon Mobutu s forces backed by the CIA arrested Lumumba on December 1 1960 and he was guarded by the UN troops Later Lumumba was sent to Elizabethville in the Katanga the territory of his rival Mo se Tshombe At his arrival he was beaten by both Katanga s and Belgians forces to death On January 17 1960 Patrice Emery

Lumumba the first Prime Minister of the Democratic Republic of Congo was assassinated in cold blood by various perpetrators After 61 years in Belgium the remaining teeth were sent back the the DRC for burial on June 30 2022

The Rise of Nationalist Populism Daniel Rueda,2024-10-03 The Rise of Nationalist Populism explores the intersection between populism and nationalism conducted through the discursive analysis of three Populist Radical Right parties that have gained prominence during the 2010s Rassemblement National France Lega Italy and Vox Spain Due to its rise in Europe the United States and further afield there is a growing interest in right wing populism an exclusionary and illiberal form of populism that has been able to attain success in several countries This book contributes to the analysis of how populism understood as a way of constructing the political is shaped by the ideologies that permeate it It examines how a certain form of nationalism is shaped by populist dynamics that is by a certain form of identity building The book analyses the intersection between nationalism and populism in right wing populist parties by using a discourse analysis methodology based on Ernesto Laclau s works thus conducting an examination similar to the ones presented by the Essex School of Discourse Analysis The empirical analysis focuses on party literature and carefully selected candidate speeches at a national level for its three case studies as well as providing an overarching comparison The book shows how the economic crisis and the irruption of issues related to sovereignty and national identity arising in France Italy and Spain paved the way for the emergence of their respective right wing populist forces The book will appeal to researchers and students of political science especially those with an interest in populism discourse analysis identity and the far right
