**Sustainable food consumption** Elizabeth Sargant,2023-09-04 Agricultural and food consumption practices are the most important contributors to ecosystem degradation and climate change Consumers are called on to take responsibility for sustainable development to consider the environment in their everyday life to choose more sustainably produced goods and services However often consumers are not directly involved in food production and preparation Today many of the meals we eat are prepared by someone other than ourselves In addition environmental and social issues of food production might be important to us but they have to be weighed up against a range of situational and personal considerations Thus making a sustainable choice can be far from straightforward This book explores the question how sustainable food consumption can be encouraged using social practices theory This approach focuses not on the individual behaviour of consumers but on everyday food practices like shopping for food eating lunch at work etc and their context The book discusses how Dutch consumers engage in sustainable food consumption on an everyday basis and how consumers with different grocery shopping practices differ in this engagement A second study considers the sustainable development of food provisioning within business catering food procurement and provisioning Here we discover the importance of food professionals and the opportunities that canteens and kitchens offer to explore more sustainable ways of eating Both studies illustrate how a context oriented approach leads to insights on where we find leverage points for changing consumption patterns

**The Perfect Christmas** Debbie Macomber, 2021-09-28 For Cassie Beaumont it's meeting her perfect match. Cassie, at thirty-three, wants a husband and kids, and so far, nothing's worked. Not blind dates, not the internet, and certainly not leaving love to chance. What other options are there? Well, she could hire a professional matchmaker. Simon Dodson has quite a reputation, but he's very choosy about the clients he takes on and very expensive. Cassie considers him a difficult, acerbic know-it-all, and she's astonished when he accepts her as a client. Claiming he has her perfect mate in mind, Simon assigns her three tasks to complete before she meets this paragon: Three tasks that are all about Christmas—being a charity bell ringer, dressing up as Santa's elf at a mall, and preparing a traditional turkey dinner for her neighbors, most of whom she happens to dislike. Despite a number of comical mishaps, Cassie does it all, and then she's finally ready to meet her match. But just like the perfect Christmas gift, he turns out to be a wonderful surprise.
