the Minors Richard A. Gallo,2021-07-05 If you or someone you know has never experienced racism bigotry injustice abuse or domestic violence then this book is not for you But if you or someone you know has been such a victim and suffered from such societal evils then perhaps you are not reading these words by chance Perhaps God has brought you to this moment to make a difference for deep down in your heart you know that this is fundamentally wrong And just maybe God through his Spirit has brought you to this very moment to say Enough is enough and start doing something to begin eliminating racism bigotry injustice abuse and domestic violence Rev Gallo lays out a twelve step process that he has termed A Blueprint of Hope from a Christian Perspective Utilizing twelve messages or themes of hope one from each of the minor prophets as well as the teachings of Jesus he formulates a plan This plan incorporates both small group ministry within the local church and neighborhood outreach to the surrounding community where these societal evils rear their ugly heads and have devastated individuals for generations These twelve messages as well as a unique perspective and insights that he has gained over forty two years of police work and active ministry he formulates a blueprint of hope that encourages individuals to catch a vision of what might be if people begin to look at each other through eyes of love and hope rather than hate and despair **Vanity Fair**

and Louisa Vaughan Conrad have been largely absent from histories of Modernism Hunting and Murphy describe how these innovative practitioners capitalized on social educational and professional ties to achieve success and used architecture to address social concerns including how modernist ideas could engage with community and the environment Some joined women led architectural firms while others partnered with men or contributed to Modernism as retailers of household furnishings writers and educators photographers and designers or fine artists With stunning illustrations *Women Architects at Work* offers new histories of recognized figures while recovering the stories of previously unsung women all of whom contributed to the modernization of American architecture and design

Maness,2023-05-22 When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ s executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars
