Factors that contribute to the success of regularly occurring open-air music festivals from an organizational perspective
Katerina Dshedshorov,2000-05-05 Inhaltsangabe Abstract Music celebrations social gatherings and festivals have always been part of the lives of human beings which is why the historical beginning of music festivals cannot be exactly stated The lack of historical accuracy is proof that a need for music and social happenings has always existed among people Moreover music s influence on peoples cultures and governments has shown to be of great importance regarding the development of our international society By looking at the last century alone one can find many examples supporting this statement For example Rock Roll in the 50 s demonstrated how a whole generation could be inspired by music which resulted in cultural revolution and social change Open air music festivals are great promoters of new music genres and especially of the genres performers Festivals have the potential to make young people aware of current issues that affect the future of our society This potential has been recognised by the most successful festival in Europe the Glastonbury Festival that is known world wide Some of the aspects that made this festival so successful are examined in this paper From the author s point of view factors contributing to the success of music festivals from an organisational perspective are a variety of interacting complex variables and conditions coming either from the various environments surrounding a festival supporting or limiting it or from the festival driving components and the festival itself This paper will look at the operational side of the festival s driving components that are derived from the festival organiser s skills and actions taking into consideration the process oriented nature of special events Success and regularly occurring open air music festivals are defined in the next chapter All following chapters will describe key aspects methods and tools that need to be considered when organising an open air music festival with a successful outcome from the viewpoints of both festival organisers and event management researchers The event intensity and impact on the local community can be very high from an economical social and environmental perspective but unfortunately those aspects cannot be included in this paper because of limited space and time even though they are of great importance There are many factors coming in turn from the culture economy and environment of the festival s surrounding community all of
