Once a Pony Time June Markham, 2015-12-12. She had come full circle since that September morning when, as a dirty, frightened five-year-old child, she had hesitantly entered the two-story school building through those heavy green doors. Follow Maggie as she struggles to find the answer to the haunting question: How many times can a person have her hopes dashed until hope lies down and dies? So what do you think? With God on our side, how can we lose? If God didn't hesitate to put everything on the line for us, embracing our condition and exposing Himself to the worst by sending His own Son, is there anything else He wouldn't gladly and freely do for us? And who would dare tangle with God by messing with one of God's chosen? Who would even dare to point a finger? The One Who died for us? Who was raised to life for us, is in the presence of God at this very moment, sticking up for us? Do you think anyone is going to be able to drive a wedge between us and Christ's love for us? There is no way. Not trouble, not hard times, not hatred, not hunger, not homelessness, not bullying threats, not backstabbing, not even the worst sins listed in scripture, none of this fazes us, because Jesus loves us. Nothing, absolutely nothing, can get between us and God's Love. Romans 8:31-39. The Message.

Rainy River Lives Maggie Wilson,2009-05-01 Rainy River Lives is the long lost collection of stories of Ojibwe men and women as told by a hitherto unpublished traditional Ojibwe storyteller Maggie Wilson 1879 1940 Wilson lived on the Manitou Rapids Reserve on the Rainy River which flows along the Ontario Minnesota border When anthropologist Ruth Landes arrived at Rainy River to conduct her doctoral research in 1932 Wilson often worked with the young scholar telling her many stories Their relationship continued after Landes returned to Columbia University During the following decades however the letters and stories Wilson had sent Landes which Landes had carefully collected were lost Only recently were they discovered in the basement of the Smithsonian Institution where they had been misfiled with papers of another anthropologist This rich set of narratives takes us inside the intimate world of Ojibwe families at the turn of the twentieth century a time of great upheaval when the Ojibwes were being relocated onto reserves and required by the government to abandon their seasonal migrations and subsistence activities These remarkably detailed stories of ordinary Native people precisely through their everyday character reveal much about Ojibwe cultural beliefs and paint a nuanced ethnographic portrait of Ojibwe life In the distinctive voice of an exceptional and highly creative individual the stories address both the culturally specific world of the Ojibwes and universal human themes of love loss and perseverance
