MY ACCOUNT OF THE HAJJ Nicholas Hughes, 2014-05 Rare are works that combine personal revelations with explanations of

Islam in a manner to which Westerners can easily relate The beauty of Nicholas Account of the Hajj italicise is that an Australian farm boy with an education imbued in Christian principles and a lifetime of exposure to religions and cultures in the Arab world and South and South East Asia can relate to and convey in a straightforward manner Islamic beliefs and practices that many may consider foreign Nicholas has done a great service to those interested in religions and spirituality in his descriptions of the rites of the Hajj and explanations of their origins and meaning As a diary the work animates the daily life of the pilgrim in an engaging style reminiscent of writings from an earlier period of exploration Nick expresses a personal revelation the Hajj inspires a deep sense of serenity humility and affinity with the Almighty The Hajj is both a voyage to Mecca as well as a recommitment to a lifelong spiritual journey He writes If my Account of the Hajj can contribute to inter cultural and religious understanding I am happy to have shared it with others

One Thousand Roads to Mecca Michael Wolfe,1997 Beginning with the European Renaissance it has also been the subject for a handful of adventurous writers from the Christian West who through conversion or connivance managed to slip inside the walls of a city forbidden to non Muslims
