Music, Dance, and Drama in Early Modern English Schools Amanda Eubanks Winkler, 2020-06-04 Music Dance and Drama in Early Modern English Schools is the first book to systematically analyze the role that the performing arts played in English schools after the Reformation Although the material record is riddled with gaps Amanda Eubanks Winkler sheds light on the subject through an innovative methodology that combines rigorous archival research with phenomenological and performance studies approaches She organizes her study around a series of performance based questions that demonstrate how the schoolroom intersected with the church the court the domicile the concert room and the professional theater which allows her to provide fresh perspectives on well known canonical operas performed by children as well as lesser known works Eubanks Winkler also interrogates the notion that performance is ephemeral as she considers how scores and playtexts serve as a conduit between past and present and demonstrates the ways in which pedagogical performance is passed down through embodied praxis

these have helped frighten and startle horror movie audiences for close to a century Listen to a Universal classic like Dracula or Frankenstein and you will hear a very different soundtrack from contemporary horror films So how did we get from there to here What scared audiences then compared to now This examination of the horror film s soundtrack builds on film sound and genre scholarship to demonstrate how horror perhaps more than any other genre utilizes sound to manipulate audience response Beginning with the Universal pictures of the early 1930s and moving through the next nine decades it explores connections and contrasts throughout the genre s technical and creative evolution New enthusiasts or veteran fans of such varied films as The Mummy Cat People The Day the Earth Stood Still Psycho Halloween A Nightmare on Elm Street Scream The Conjuring Paranormal Activity and A Quiet Place will find plenty to explore and perhaps a new sonic appreciation within these pages *The Athenaeum* ,1876 *Dwight's Journal of Music, a Paper of Art and Literature* John Sullivan
