Circulating Jim Crow Adam McKible, 2024-02-20 Winner 2023 2024 RSAP Book Prize Research Society for American Periodicals In the early twentieth century the Saturday Evening Post was perhaps the most popular and influential magazine in the United States establishing literary reputations and shaping American culture In the popular imagination it is best remembered for Norman Rockwell's covers which nostalgically depicted a wholesome and idyllic American way of life But beneath those covers lurked a more troubling reality Under the direction of its longtime editor George Horace Lorimer the magazine helped justify racism and white supremacy It published works by white authors that made heavy use of paternalistic tropes and demeaning humor portraying Jim Crow segregation and violence as simple common sense *Circulating Jim Crow* demonstrates how the Post used stereotypical dialect fiction to promulgate white supremacist ideology and dismiss Black achievements citizenship and humanity Adam McKible tells the story of Lorimer's rise to prominence and examines the white authors who provided the editor and his readers with the caricatures they craved He also explores how Black writers of the Harlem Renaissance pushed back against the Post and its commodified racism McKible places the erstwhile household names who wrote for the magazine in conversation with figures such as Paul Laurence Dunbar F Scott Fitzgerald Ann Petry W E B Du Bois and William Faulkner Revealing the role of the Saturday Evening Post in normalizing racism for millions of readers this book also offers a new understanding of how Black writers challenged Jim Crow ideology

Black Canadian poets who embrace a fluid and multicultural form of citizenship that moves between local and global spaces much like music does Using a DJ Methodology the author mixes in close readings of poetry music cultural and literary history as well as various interviews with the poets The book includes an accompanying soundtrack to further enhance the reading experience Listening to the poets in this book that is in listening closely to the poems sounds and musical samples they bring into the mix constitutes sonic citizenship This co performative act of reading listening and sounding serves as a reminder of how citizens inhabit and negotiate life in Canada beyond the formal legal framework of the nation state Biography ,2002
