Standing On The Shoulders Of Giants Frank Rafter, 2013-11-18 *Standing on the Shoulders of Giants* is the first book from Frank Rafter. In it, the author chooses his greatest ever Celtic team 1888-1960 and in doing so tells of some of the greatest figures in the Football Club's remarkable history. The life story of the gentleman who was until recently Celtic's oldest surviving ex-player William Boland, who first saw Celtic in the 1930s, is also exclusively featured. Additionally, there are a plethora of tales from away days in Europe, Celts living around the world, and some of the author's personal experiences to be enjoyed as well as much more.

Sport Business Analytics C. Keith Harrison, Scott Bukstein, 2016-11-18 Developing and implementing a systematic analytics strategy can result in a sustainable competitive advantage within the sport business industry. This timely and relevant book provides practical strategies to collect data and then convert that data into meaningful value-added information and actionable insights. Its primary objective is to help sport business organizations utilize data-driven decision making to generate optimal revenue from such areas as ticket sales and corporate partnerships. To that end, the book includes in-depth case studies from such leading sports organizations as the Orlando Magic, Tampa Bay Buccaneers, Duke University, and the Aspire Group. The core purpose of sport business analytics is to convert raw data into information that enables sport business professionals to make strategic business decisions that result in improved company financial performance and a measurable and sustainable competitive advantage. Readers will learn about the role of big data and analytics in ticket pricing, season ticket member retention, fan engagement, sponsorship valuation, customer relationship management, digital marketing, market research, data visualization. This book examines changes in the ticketing marketplace and spotlights innovative ticketing strategies used in various sport organizations. It shows how to engage fans with social media and digital analytics, presents techniques to analyze engagement and marketing strategies, and explains how to utilize analytics to leverage fan engagement to enhance revenue for sport organizations. Filled with insightful case studies, this book benefits both sports business professionals and students. The concluding chapter on teaching sport analytics further enhances its value to academics.
