PRACTICAL MONEY ADVICE FOR YOUNG MEN 2.0 Malik McCotter-Jordan, 2021-12-25 I am not suggesting that you fire your boss i.e. quit your job. In fact I advise you to keep your job. In this book I have a job that's called having more than one stream of income and I talk about that in this book. This is definitely not a BS Tony Robbins personal finance book with over 680 pages about compound interest him shamelessly promoting financial firms that he has an ownership stake in and saving 10% to 20% of your income. This is a raw and real book written by a guy who is only a few steps ahead of you. That's it. I am not a guru. This is not a scam. I put my heart and soul into making this. I wrote this book as if it was for the 18-year-old me. Anyone who leaves a review saying that this book lacks realistic actionable advice is just plain wrong. I even did what most of these personal finance authors don't have the guts to do. I talk about my personal life and the mistakes I made that cost me thousands of dollars. That's why this genre is called personal finance. Right. I get really personal. Some might say it's too personal. If you're a young man who is tired of being broke living paycheck to paycheck not owning any assets being clueless about taxes and not being able to get ahead in the United States then this is the book for you. I started off as a poor black boy in a small town in Alabama. On section 8. I currently have a 6-figure net worth. If I can do it you can too. Buy this book today.

How To Earn More Than \$100 Making Memes Malik Jordan, 2020-04-06 A useful short affordable book that teaches you how to earn more money with memes has finally been written. Malik Jordan. My name is Malik McCotter Jordan but you can call me Malik Jordan. I am the author of this book. How To Earn More Than 100 Making Memes in 4 Simple Steps 2020 is quite frankly nothing but a short book showing aspiring professional funny meme creators how to make money on Fiverr.com. Most authors overpromise and under deliver when they write their book introduction. That is not what I am about to do. In this introduction I will tell you how to earn more than 100 making memes in 4 simple steps. My advice will be practical and straight to the point. Let's Be Honest. Book introductions are basically a form of marketing to get people to buy the book. In this book introduction I am going to be very transparent with you. I'll be so transparent with you that you may lose interest in this book and choose not to buy it and that is fine with me. Did I write this introduction to market it to you and to get book sales? The answer is yes but I do not want just anyone to buy this book. I want this book to be bought by people who are serious about earning money with memes. Why I Wrote This Book's Introduction. I wrote this book's introduction to get sales and weed out the people who would be wasting their time if they bought this book. I am not like all of the other writers out there. I am not desperate for your money. This book is not for everybody and I knew this before I even began writing it. This is not the book for you if you do not already know how to make memes. This book is for people who already have experience in making memes. This book is for people who would like to know how to go about earning money with their already established meme creating abilities. This book does not teach you how to make a meme. This book doesn't take more than a week to read and it isn't expensive at all. This Book Is Cheap. For just the low price of 2.99 you can learn how to earn more than 100.
