Ask, Measure, Learn Lutz Finger, Soumitra Dutta, 2014-01-23 You can measure practically anything in the age of social media, but if you don't know what you're looking for, collecting mountains of data won't yield a grain of insight. This non-technical guide shows you how to extract significant business value from big data with Ask Measure Learn, a system that helps you ask the right questions, measure the right data, and then learn from the results. Authors Lutz Finger and Soumitra Dutta originally devised this system to help governments and NGOs sift through volumes of data. With this book, these two experts provide business managers and analysts with a high-level overview of the Ask Measure Learn system and demonstrate specific ways to apply social media analytics to marketing, sales, public relations, and customer management using examples and case studies.

Beginning Apache Spark Using Azure Databricks Robert Ilijason, 2020-06-11 Analyze vast amounts of data in record time using Apache Spark with Databricks in the Cloud. Learn the fundamentals and more of running analytics on large clusters in Azure and AWS using Apache Spark with Databricks on top. Discover how to squeeze the most value out of your data at a mere fraction of what classical analytics solutions cost, while at the same time getting the results you need incrementally faster. This book explains how the confluence of these pivotal technologies gives you enormous power and cheaply when it comes to huge datasets. You will begin by learning how cloud infrastructure makes it possible to scale your code to large amounts of processing units without having to pay for the machinery in advance. From there, you will learn how Apache Spark, an open-source framework, can enable all those CPUs for data analytics use. Finally, you will see how services such as Databricks provide the power of Apache Spark without you having to know anything about configuring hardware or software. By removing the need for expensive experts and hardware, your resources can instead be allocated to actually finding business value in the data. This book guides you through some advanced topics such as analytics in the cloud, data lakes, data ingestion architecture, machine learning, and tools including Apache Spark, Apache Hadoop, Apache Hive, Python, and SQL. Valuable exercises help reinforce what you have learned.

What You Will Learn Discover the value of big data analytics that leverage the power of the cloud. Get started with Databricks using SQL and Python in either Microsoft Azure or AWS. Understand the

underlying technology and how the cloud and Apache Spark fit into the bigger picture See how these tools are used in the real world Run basic analytics including machine learning on billions of rows at a fraction of a cost or free Who This Book Is For Data engineers data scientists and cloud architects who want or need to run advanced analytics in the cloud It is assumed that the reader has data experience but perhaps minimal exposure to Apache Spark and Azure Databricks The book is also recommended for people who want to get started in the analytics field as it provides a strong foundation

Tears of the Silenced Misty Griffin, 2018-09-15 Misty Griffin's story Surviving child abuse parental betrayal sexual assault and Amish cruelty. A true crime memoir. When Misty was six years old her family started to live and dress like the Amish. Misty and her sister were kept as slaves on a mountain ranch where they were subjected to almost complete isolation sexual abuse and extreme physical violence. Their step father kept a loaded rifle by the door at all times to make sure the young girls were too terrified to try to escape. They also knew that no rescue would ever come because only a couple of people even knew they existed and did not know them well enough to care. Amish Sexual abuse. When Misty reached her teens her parents feared she and her sister would escape and took them to an Amish community where they were adopted and became baptized members. Misty was devastated to once again find herself in a world of fear animal cruelty and sexual abuse. Going to the police was severely frowned upon. A few years later Misty was sexually assaulted by the bishop. As Misty recalls Amish sexual abusers are only shunned by the church for six weeks a punishment that never seems to work. After I was assaulted by the bishop I knew I had to get help and one freezing morning in early March I made a dash for a tiny police station in rural

Minnesota After reporting the bishop I left the Amish and found myself plummeted into the strange modern world with only a second grade education and no ID or social security card To all abuse survivors out there please be encouraged the cycle of abuse can be broken Today I am a nursing student working towards my master s degree and a child abuse awareness activist This is my story If you have read Scared Selfless A Child Called It The Sound of Gravel or Etched In Sand then Tears of the Silenced is a must read *Collection Development and Management for 21st Century Library Collections* Vicki L.
