The Classroom and the Crowd Al Filreis, 2025-11-25 For more than a decade Al Filreis has taught a free online course about experimental poetry known as ModPo that has drawn some 435 000 students from 179 countries Online classes even a fraction of ModPo's size have been criticized as impersonal and unengaging But the citizens of ModPo have formed a generous and enduring intellectual community as together they read poems typically dismissed as difficult and inaccessible In *The Classroom and the Crowd* Filreis reflects on his decades of experience as a founder of participatory literary communities and teacher of online courses demonstrating that student centered education offers new possibilities for humane social networking Introducing readers to ModPo participants and their open ended round the clock conversations he shows how online learning can not only be accessible and educational but also deepen our commitment to democracy Filreis argues that the emphasis

on collaborative learning space for discussion and the inherent openness of poetry allows for a sense of community continuity and even intimacy that often eludes other online educational endeavors ModPo embodies principles underlying both modern poetics and cooperative education Writers and readers like teachers and learners create meaning together many voices are clearer than one and democracy is a creative practice Proposing an optimistic vision of mass learning this book contends that asynchronous education has surprising advantages over the traditional classroom that panics about a crisis of attention and the death of reading are overblown and that instead of logging off we should all start reading with a crowd *How to be an Author* Ashton Cartwright, 36 real authors give us an in depth look at their successes their mistakes and their careers as writers There is nothing in the world as incredible as creating something and getting to hear about other people enjoying it You know that you ve made a change in someone s life even if it s only in a small way It s one of the best feelings in the world Everyone who becomes a professional author does so for different reasons They each face different obstacles have different goals and choose different paths The more authors that a new writer gets the opportunity to learn from the greater the chance that they ll find someone they resonate with and that they ll discover something that can help them in their own career Some of the authors in this book are self published others are traditionally published Some have worked with agents and others have chosen to represent themselves Some authors in this book generate hundreds of thousands of dollars in royalties while others have just finished their very first novel Some exclusively write fiction some non fiction and some write a bit of both Some of them write just for the joy of writing others for the money and still others because they have a story that NEEDS to be told If you take your writing seriously and are keen to be the best author that you can be then *How to be an Author* 36 Real Authors Talk Writing and Publishing is the book for you [Publishing is Broken, but it Doesn't Have to Break Us](#) Russell Nohelty, 2025-11-20 Publishing is broken but it doesn t have to break you In this candid no holds barred guide USA Today bestselling author and small press publisher Russell Nohelty reveals why the traditional publishing model is stacked against most writers and how to make the industry work for you Drawing on decades of experience and dozens of successful book launches Nohelty offers a blueprint for building your creative career without selling your soul or burning yourself out You ll learn how to break free from tired industry myths connect directly with the readers who love your work jettison traditional gatekeepers construct a sustainable creative life and leverage simple tools and strategies that actually pay off without all the needless hustle Whether you re a first time writer or a seasoned pro this book offers real world strategies for breaking free of the status quo Packed with straight talk practical insights and actionable advice *Publishing Is Broken Publishing But It Doesn t Have to Break Us* doesn t pretend there s a one size fits all answer Instead it hands you the keys to design a publishing path that fits your goals your schedule and your sanity If you re ready to build a thriving bullshit free writing career this book will show you the way forward [Principled Productivity](#) Gerald J. Watson Jr., 2023-06-16 This book demonstrates that ethical treatment of everyone in an organization 1 Will increase productivity in all the functional activities

of the organization as well as its members 2 Will ensure the growth of the organization as a result of continuous improvements that may have been initiated by management but will be continuously improved by motivated employees It achieves this by 1 The presentation of examples from personal experience and a review of the literature 2 Providing a list of critical questions for each function whose correct solutions will provide a metric that enables and establishes obtainable goals for improvement This book is unique because it requires the decision maker to examine each potential decision and ask the questions 1 Do alternative methods exist that will achieve the desired goals which will minimize the long term adverse effects on affected employees and the future viability of the organization 2 When is the appropriate time to implement this decision 3 What is the best way to implement this decision The decision may involve a reduction in force RIF a potential change in a vendor or a manufacturing process the formation of a safety team and or the installation or modification of an incentive system The decisions could be involved in manufacturing logistics quality or healthcare This work will benefit everyone in leadership positions in all branches of government manufacturing logistics human relations and healthcare especially those working with frontline employees staff and customers
