Z.E.R.O. Joseph Jaffe, Maarten Albarda, 2013-10-07 The world has changed Everyone keeps reminding marketers and advertisers about the never ending and accelerating forces of technology disruption consumer changes and innovation evolution in the marketing world today Sounds exciting except for the fact that we re doing absolutely nothing about it Zero Simply put under current operating conditions the advertising industry will not be able to sustain itself and without taking action is likely to result in severe to catastrophic outcomes from financial underperformance to job loss to even a collapse of the current media ecosystem The solution The Marketing Model can be fixed by slashing your ad budget and investing in the Z E R O framework Zealots Entrepreneurship Retention Owned Assets *Electronic Commerce* Efraim Turban, David King, Jae Kyu Lee, Ting-Peng Liang, Deborah C. Turban, 2015-01-29 Throughout the book theoretical foundations necessary for understanding Electronic Commerce EC are presented ranging from consumer behavior to the economic theory of competition Furthermore this book presents the most current topics relating to EC as described by a diversified team of experts in a variety of fields including a senior vice president of an e commerce related company The authors provide website resources numerous exercises and extensive references to supplement the theoretical presentations At the end of each chapter a list of online resources with links to the websites is also provided Additionally extensive vivid examples from large corporations small businesses from different industries and services governments and nonprofit agencies from all over the world make concepts come alive in Electronic Commerce These examples which were collected by both academicians and practitioners show the reader the capabilities of EC its cost and justification and the innovative ways corporations are using EC in their operations In this edition previous editions published by Pearson Prentice Hall the authors bring forth the latest trends in e commerce including social businesses social networking social collaboration innovations and mobility *Number Savvy* George Sciadas, 2022-12-16 This book is written for the love of numbers It tells their story shows how they were invented and used to quantify our world and explains what quantitative data mean for our lives It aspires to contribute to overall numeracy through a tour de force presentation of the production use and evolution of data Understanding our physical world our economies and our societies through quantification has been a persistent feature of human evolution This book starts with a narrative on why and how our ancestors were driven to the invention of number which is then traced to the eventual arrival at our number system This is followed by a discussion of how numbers were used for counting how they enabled the measurement of physical quantities and how they led to the estimation of man made and abstract notions in the socio economic domain As data don t fall like manna from the sky a unique feature of this book is that it explains from a teacher s perspective how they re really conceived in our minds how they re actually produced from individual observations and how this defines their meaning and interpretation It discusses the significance of standards the use of taxonomies and clarifies a series of misconceptions regarding the making of data The book then describes the switch to a new research

paradigm and its implications highlights the arrival of microdata illustrates analytical uses of data and closes with a look at the future of data and our own role in it **Door to Door** Edward Humes,2016-04-12 Thousands of miles are embedded in almost everything we do and touch and purchase but we re scarcely aware of it A cup of Starbucks coffee materializes in front of us without any signs of the 30 000 miles it has travelled Behind the scenes there are grinding commutes a violent death every 15 minutes on an American highway and a crushing impact on the environment By delving into one week in the life of his family in suburban California their commutes traffic jams grocery stops and online shopping excursions the author of first year favorite Garbology reveals the truths and mounting challenges behind every trip we take and every click we
