MLB Playoffs Price:

Handbook of Sports and Media Arthur A. Raney, Jennings Bryant, 2009-03-04 This distinctive Handbook covers the breadth of sports and media scholarship Organized into historical institutional spectator and critical studies perspectives this volume brings together the work of many researchers defining the full scope of the subject area including the development of sports media production coverage and economics of sports media sports media audiences sports promotion and race and gender issues in sports and media *Fairness in Antitrust in National Sports (FANS) Act of 2001* United States. Congress. House. Committee on the Judiciary, 2001 **The Baseball Economist** J.C. Bradbury, 2008-02-26 Freakonomics meets Moneyball in this provocative expos of baseball's most fiercely debated controversies and some of its oldest most dearly held myths Providing far more than a mere collection of numbers economics professor and popular blogger J C Bradbury shines the light of his economic thinking on baseball exposing the power of tradeoffs competition and incentives Utilizing his own sabernomic approach Bradbury dissects baseball topics such as Did steroids have nothing to do with the recent homerun records Incredibly Bradbury's research reveals steroids probably had little impact Which players are ridiculously overvalued Bradbury lists all players by team with their revenue value to the team listed in dollars including a dishonor role of those players with negative values updated in paperback to include the 2007 season Does it help to lobby for balls and strikes Statistics alone aren't enough anymore This is a refreshing lucid and powerful read for fans fantasy buffs and players as well as coaches at all levels who want to know what is really happening on the field *Save Baseball* Larry Hausner, 2024-01-29 Major League Baseball has been in crisis in recent years Game attendance is down by millions and fan interest is in free fall The future of the game is in jeopardy While the League acknowledges the issues many are stumped as to how to address them This book explores in detail the critical challenges facing MLB and their ramifications along with some potential solutions Interviews with baseball insiders players to executives give a perspective on baseball's struggle to reinvent itself for future generations **The Economics of the National Football League** Kevin G. Quinn, 2011-12-18 This book lays down a marker as to the state of economists understanding of the National Football League NFL by assembling sophisticated critical surveys of by leading sports economists on major topics associated with the league The book is divided into four parts The first three chapters in Part I provide an overview of the business of the NFL from an economist's perspective Part II is a collection of surveys of the economics of the NFL's most important revenue streams including media attendance and merchandising The NFL's labor economics is the focus of Part III with chapters on player and coach labor markets the draft and contract structure Part IV includes essays on competitive balance gambling economic impacts of the Super Bowl behavioral economic issues associated with the league and antitrust issues This book will appeal to sports economists sports management professionals and policy makers and would be useful as a supplementary text for sports economics and management courses as well as a reference text **Major League Baseball Organizations** Frank P. Jozsa Jr., 2016-10-07

This book analyzes and highlights the development and success of major league baseball teams in the National League and the American League focusing on each team's performance in seasons and postseasons and to what extent each succeeded as a business enterprise despite competition for market share from other types of entertainment. The book discusses historical and financial information about the 30 major league franchises. Each chapter contains two core themes: Team Performances and Franchise Business. The former highlights which and how teams won division and league championships and World Series while the latter lists and compares financial data including their revenue, gate receipts and operating income and describes interesting business topics. Each chapter also provides an overview of when each franchise organized and why it joined MLB, a brief profile of its current majority owner or ownership group, records of teams' special coaches and players, attendances at home games and how their ballparks rank as a venue for fans. Baseball Business explains why particular teams located in large, mid-sized or small markets win more games and titles than others and when and how frequently that occurs. Furthermore, it provides ways to compare franchises' financial success individually by division and by league. By linking and comparing the historical performances of MLB teams to financial information about them as business organizations, this book offers a unique contribution to the literature on the sports industry.

Center Field Shot James R. Walker, Robert V. Bellamy, 2008-06-01 This work explores how the new medium of television changed America's pastime and traces the sometimes contentious but mutually beneficial relationship between baseball and television from the first televised game in 1939 to the modern day world of Internet broadcasts, satellite radio and high definition television. Original.

Sports Marketing Sam Fullerton, 2024-05-15 Formerly published by Chicago Business Press, now published by Sage Sports Marketing. Fourth Edition guides students in gaining a better understanding of how to develop and implement marketing strategies and tactics within the sports marketing industry. Author Sam Fullerton provides thorough coverage of this discipline's two broad perspectives: the marketing of sports products and creating a sports platform as the foundation for the marketing of non-sports products.

The Business of Baseball Albert Theodore Powers, 2003-01-16 The crack of the bat, the cheering of fans and the agility and athleticism of the players are all characteristics that many people fondly associate with Major League Baseball. However, the players' strike and owners' lockout in 1994 and 1995 brought the game under great scrutiny, revealing a side of baseball that is not admirable, honorable or enjoyable. Nor is this darker side of America's Pastime a recent development. The majority of problems in today's Major Leagues are a continuation of ills that have plagued organized baseball since its inception. This book examines the business of baseball, addressing its most significant problems and proposing solutions. It covers some of Major League Baseball's greatest players and their effect on the game and its business.

Among the many topics analyzed are the roles of franchise owners commissioners and players unions in organized baseball. The book also examines Major League ballparks and baseball fans and considers how they are relevant to baseball as a game and a business. Baseball's Antitrust Exemption United States. Congress. House. Committee on the Judiciary. Subcommittee on Economic and Commercial Law, 1993. *Baseball Between the Numbers* Jonah Keri, Baseball Prospectus, 2007-02-27. In the numbers obsessed sport of baseball statistics don't merely record what players managers and owners have done. Properly understood they can tell us how the teams we root for could employ better strategies put more effective players on the field and win more games. The revolution in baseball statistics that began in the 1970s is a controversial subject that professionals and fans alike argue over without end. Despite this fundamental change in the way we watch and understand the sport no one has written the book that reveals across every area of strategy and management how the best practitioners of statistical analysis in baseball people like Bill James Billy Beane and Theo Epstein think about numbers and the game. *Baseball Between the Numbers* is that book. In separate chapters covering every aspect of the game from hitting pitching and fielding to roster construction and the scouting and drafting of players the experts at Baseball Prospectus examine the subtle hidden aspects of the game bring them out into the open and show us how our favorite teams could win more games. This is a book that every fan every follower of sports radio every fantasy player every coach and every player at every level can learn from and enjoy. Encyclopedia of Sports Management and Marketing Linda E. Swaine, Mark Dodds, 2011-08-08. This four volume set introduces on the management side principles and procedures of economics budgeting and finance leadership governance communication business law and ethics and human resources practices all in the sports context. On the marketing side this reference resource explores two broad streams marketing of sport and of sport related products promoting a particular team or selling team and sport related merchandise for example and using sports as a platform for marketing non sports products such as celebrity endorsements of a particular brand of watch or the corporate sponsorship of a tennis tournament. Together these four volumes offer a comprehensive and authoritative overview of the state of sports management and marketing today providing an invaluable print or online resource for student researchers.

Baseball in Crisis Frank P. Jozsa, Jr., 2014-01-10. Recent polls have placed football ahead of baseball in popularity. Does this reflect football's rise or baseball's decline? Why has the national pastime a title perhaps becoming inaccurate fallen behind other major sports? Is the trend reversible? This book identifies the most substantial and persistent issues that have impaired Major League Baseball's development. Chapters cover inflationary player team and game costs changes in baseball's fan base congestion in urban areas that host big league ballclubs the negligent and irrational actions some of it criminal of players owners league officials and the players union and the maldistribution of power among the major league franchises. Six major reforms needed to boost the popularity of baseball are identified. The Little White Book of Baseball Law John H. Minan, Kevin Cole, 2009. The game of baseball has often resulted in brawls both on the field and in the courtroom and from the

1890 s on much of what baseball is today has been shaped by the law In eighteen chapters this eye opening book discusses cases that involved rules of the game new stadium construction ownership of baseball memorabilia injured spectators television contracts and much more **One Town, One Team** Bruce Bertrand,2023-01-26 When third year football coach Sherm Blaser walked into his first team meeting for the upcoming season he asked the team what their team goal should be for the upcoming season The first hand that went up was that of senior defensive lineman Benten Hall who suggested a winning season would be an appropriate team goal A winning season might not seem like a lofty goal but it is certainly a practical one The previous year the Kavemen did go 5 4 but finished sixth in conference play and did not make the playoffs Benten s sophomore and freshman years those varsity teams went a combined 7 12 In fact since Benten and his fellow seniors on the team started the first grade eleven years ago the Kuna football teams have a combined record of forty three wins and sixty two losses The football program has not won a conference championship since 1998 and has won just one playoff game this century Blaser was not seen as the savior of this program when he was hired two years before Before coming to Kuna his record was 15 21 at two previous schools In his two previous years on the Kuna campus his record was only 8 10 So how could this team led by this coach make it all the way to the state championship game Fortunately for me my son Ryan who was starting his fourth season as part of Sherm Blaser s coaching staff and was living with me as he was finishing his master s program in psychology so I had a front row seat to this amazing season **Sports Finance and Management** Jason A. Winfree,Mark S. Rosentraub,Brian M Mills,2011-08-29 This definitive text on sports management and finance focuses on how the modern sports team has evolved Addressing the fact that the 21st Century sports team has turned to a real estate development media and entertainment corporation this book focuses on the how and why of the change rather than traditional finance topics such as borrowing money ticket pricing and player compensation It includes an assessment of ownership structures and discusses real estate development facility designs and their fit into urban centers **Ultimate Baseball Road Trip** Josh Pahigian,Kevin O'Connell,2012-03-27 The most entertaining and comprehensive guide to every baseball fan s dream road trip including every new ballpark since the 2004 edition revised and completely updated **The Ultimate Baseball Road Trip, 2nd** Josh Pahigian,Kevin O'Connell,2012-03-27 The most entertaining and comprehensive guide to every baseball fan s dream road trip including every new ballpark since the 2004 edition revised and completely updated **Baseball, Inc.** Frank P. Jozsa, Jr.,2006-02-17 During the second half of the twentieth century Major League Baseball and its affiliated minor leagues evolved from local and regional entities governing the play of America s favorite pastime to national business organizations The relocation of teams league expansion the advent of free agency and an influx of international players has made baseball big business on an increasingly global scale Focusing on the last fifty years this work examines the past and present commercial elements of organized baseball emphasizing the dual roles competitive sport and profitable business which the sport must now fulfill Twenty five essays cover five areas integral to the economic side of

baseball business and finance human resources international relations management and leadership and sports marketing Detailed discussions of the redistribution of revenues the history of player unionization aggressive global marketing strategies of franchise owners and an evaluation of fan costs among other topics introduce the reader to the important issues and specific challenges professional baseball faces in an increasingly crowded yet geographically expansive sports marketplace The work is also indexed
