Contained in this 87 000 word 390 page collection are the books *Chance This Fate Touch This Fire* and *Make Me Whole*. Also contained is the bonus book *Tacking in the Wind*. *Chance This Fate* Sometimes what seems like chance might just be fate. Patrick couldn't know how much his life would change that dark night. He saw them beating the poor boy, kicking him while he lay cowering on the ground. He did the right thing, just being a good Samaritan. But when he gazed into the auburn eyes of the eighteen year old boy, his heart jumped and his stomach tightened. The boy, Colton, was gorgeous and his sparkling eyes stole Patrick's breath away. Instantly he knew why they were beating the boy and it broke his heart. But what else could he do for the boy? He did his duty as a decent man and saved Colton from a cruel battering. He never even considered that he'd saved Colton in another way too. And he certainly never expected that Colton would in turn be his savior. Colton knew why they were beating him. It was because he was gay. It wasn't the first time and it wouldn't be the last. But what he didn't know was that this time a man would rescue him. He certainly didn't know the man would be so handsome, so protective, so caring. He'd never thought he'd meet a man like that. A man he could love. But love is rarely so simple and Colton was inexperienced. Little did he know he had awakened Patrick, reignited his cooling heart. Like Patrick had saved him from a vicious attack, Colton was now saving Patrick in his own special way. *Touch This Fire* He burst through the smoke, larger than life. The fireman who would be my savior. He hoisted me over his shoulder and stole me back from the molten jaws of death. Shawn was his name. And when he set me down outside, smoke bellowing out of every window of the building behind him, he took off his mask and my heart stopped dead. Those eyes, those beautiful eyes, pierced me. Looked right through me. Looked right into me. He told me I would be alright and then stormed back into the building, a tornado of a man. Shawn looked every bit the hero. But when they carried him out of the building, blackened and hurt, and sent him careening away in an ambulance, the heart that he had stopped with those arresting eyes stopped again. I had to find him. I had to tell him thank you. Maybe I could help him. Little did I know that I would fall in love with him and that he would fall in love with me. *Make Me Whole* I took him in. I helped to heal him. But it was he who made me whole. Dan and I were friends from work. I never thought anything romantic could blossom between us. We went to the movies as friends, never as dates. We went hiking together as friends, never as a couple. I knew I was missing something in my life. I just didn't know what. Or who. Until one fateful hike, Dan slipped and broke his leg. I did the best I could, administered what first aid I could, and together we made it to the hospital. But he was going to be immobile for a while and he needed someone to take care of him. I volunteered. I wanted to help my good friend heal. I took him into my home. And suddenly my life felt so much more complete, as though until now I was not whole, just one part. But I don't know how Dan feels. All I know is that I'll take care of him. I'll help him heal. I never expected that it would be him who made me feel whole. I never expected that in his own way he would heal me.

**The Historical Romance** Helen Hughes, 2003-09-02. *The Historical Romance* explores the ways in which romance authors seek to represent our fantasies of life in the past. Examining how the cut and thrust swashbucklers of the 1930s gave way to female orientated romances. Helen

Hughes takes a comprehensive look at how romance authors have dealt with the turbulent question of female independence and how traditional attitudes towards love marriage and women's sexuality have been approached in more recent texts. Hughes also charts the ways in which the marketing of romance has developed with the eventual explosion of the mass market and the blockbusting family sagas of the eighties. *The Historical Romance* unravels the formulaic and mythical nature of historical romance to provide a fascinating study of this highly popular genre.

**The Forged Note (Historical Romance Series)** Oscar Micheaux, 2022-01-04 *The Forged Note* is a semi autobiographical novel that shows how Oscar Micheaux's property as a real life Black pioneer in Dakota was acquired through forgery by his father in law through the life story of the protagonist Sidney Wyeth. However in the world of fiction there is still a possibility of love. Mildred awaits Sidney's return even after the revelation of the dark secret that tore them asunder. Will the two star crossed lovers ever meet again? Keep reading. Excerpt: He sat at a desk in the small office he had taken. Before him were papers and bills unpaid and letters too he had not opened while to one side were others he had read and had typed replies thereto. He had paused in his work and was gazing stupidly at the litter before him. His name was Sidney Wyeth and his home was away off in the great northwest in a strip of territory known as the Rosebud Country. As we meet him now however he is located on the fifth floor of an office building slightly toward the outskirts of the business district of one of our great American cities. He is by profession an author which might explain his presence at a desk. It happens however that he is not there this time as a weaver of dreams but attending to matter in connection with the circulation of his work for he is his own publisher.
