I do hope these tips give you some ideas on how to handle TikTok and the way you prepare and create your content in general.

The United States is currently engaged in a competition with the Chinese government unlike any other that we have witnessed before. This is a competition between the American system which is governed by freedom and the rule of law and a totalitarian dictatorship that is controlled by the Chinese Communist Party. These are two different visions for the future, one will succeed and one will fail.
