Just Add Water Katie Ledecky, 2024-06-11 A New York Times bestselling memoir from Olympic gold medalist, world champion, and the most decorated US female Olympian in history, Katie Ledecky. Katie Ledecky has won more individual Olympic races than any female swimmer in history. She is a four-time Olympian, a nine-time gold medalist, a twenty-one-time world champion, eight-time NCAA Champion, and a world record holder in individual swimming events. At the 2024 Olympics in Paris, she became the most decorated US female Olympian of all time. Time and again, the question is posed to her, her family, her coaches, and to her: what makes her a champion? Now, for the first time, she shares what it takes to compete at an elite level. Again and again, Ledecky has broken records, those of others and increasingly her own. She is both consistent and innovative, consistent at setting goals and shattering them, and innovative in the way she approaches her training. A true competitor, she sets her goals by choosing the ones that feel the scariest. But crucially, she never sacrifices the joy of competition, even in the face of adversity. Her positive mental outlook and a great support system provide the springboard to her success. **Just Add Water** charts Ledecky's life in swimming. It details her start in Bethesda, Maryland, where she played sharks and minnows, and first discovered the joy of the pool. Her early foray into the Olympics at the tender age of fifteen, where, as the youngest member of the American team, she stunned everyone by winning her first gold medal, her time
