How to Write Ads That Get The Sale! Dr. Robert C. Worstell, 2014-08-09 While the Masters of Marketing Secrets series had already been mined for the history of Advertising and Salesmanship classics I still hadn't told anyone which were the key books out of that dozen which held the core datums where a person could learn the rainmaking skill of copywriting From this book series I've created this collection which specifically selected only the books which deal best with copywriting itself The other two collections which preceded this dealt with the evolution of advertising itself and defined salesmanship in a low pressure scenario which is becoming more the way online sales has trended In fact you'll get banned

on various sites if you try anything else This collection is bringing you the best and brightest of copywriting experts so you can learn first hand what it is that is required to get sales from every ad you write For that is the test of good copywriting it gets the sale

Successful Web Retailing Bob Vereen, Dennis Stillwell, 2010-11 Most retailers are not taking full advantage of the opportunities the Internet provides them Their web sites aren't kept up to date and are changed infrequently their sites do not generate enough sales they are not using links or social media effectively and most have not employed a positive search engine strategy or embarked on an e mail marketing program This book is a how to handbook that explains in simple terms what needs to be done and how to do it if retailers want to make their web sites a more effective advertisement for their stores and an improved communication platform It also explains what retailers need to do if they wish to increase or begin making web sales Web sites of a variety of retailers illustrate many of the techniques being employed by other merchants with web addresses so the sites can be explored more fully The book's 14 chapters explain why retailers need a better web site and how they can be improved Each self standing chapter is a how to manual including the following How to Establish a Search Engine Strategy Analyzing Web Statistics and using them Are You Taking Advantage of Links What You Should Know about Social Media How to Use Social Media What You Should Know about Blogs How Mobile Computing is Changing Things Will E mail Marketing Work for You Upgrading and Improving Your Current Web Site How to Make More Sales from Your Site The book includes many other web resources that can be accessed by readers who wish to learn more about any of the topics presented Web site examples include those of a variety of retailers ranging from hardware stores to drug stores and apparel merchants plus a list of other web sites that readers can review based on summary descriptions of them Bob Vereen one of the authors is a marketing and merchandising guru with 60 years experience in the hardware industry while Dennis Stillwell the co author has been a pioneer and leader in Internet and web advertising developments Together their experience blends practical retailing knowledge with web expertise all written for the average retailer not for the nerds of the world Dennis Stillwell brings his vast experience in marketing and advertising to this book especially his marketing savvy using the Internet He is considered one of the early pioneers in Internet advertising having been on the Internet in the early years before the creation of the Worldwide Web
