The Hockey News ... Yearbook ,1993 Pujols Revised and Updated Scott Lamb,Tim Ellsworth,2012-04-02 After a decade starring for the St Louis Cardinals Albert Pujols is already compared with names in the highest reaches of baseball's pantheon Ruth Gehrig Aaron Mays Slugging his way toward the Hall of Fame Pujols has raised the game's standard for greatness beyond any statistical measure But the standard by which Pujols measures himself has less to do with baseball performance than with honoring God and exemplifying his faith for the millions who follow him From his birthplace in the Dominican Republic to his high school days in Kansas City from a single season in the minor leagues to the World Series and nine All Star Games Pujols has developed his immense talents on the baseball diamond all the while focusing his direction and the direction of his family with the belief that a higher power is behind every achievement Authors Scott Lamb and Tim Ellsworth spare no tale of this growing baseball legend all the while accentuating the unseen hand of divine providence that has shaped the man Albert Pujols has become It's a story that will inspire and a reminder of the human quality behind superhuman achievement A story still in the making of allowing God's strength to guide one man's path to be the best his game has ever seen His numbers are staggering In 2010 Albert Pujols became the first player in baseball history to bat 300 with 30 home runs and 100 runs batted in for ten consecutive seasons Babe Ruth didn't do it Ted Williams didn't do it Hank Aaron didn't do it The fact that this was accomplished in Pujols first ten seasons only makes the achievement more well Ruthian Albert Pujols story goes beyond numbers though Beyond the bright lights and packed stadiums of Major League Baseball Even beyond the adulation of millions who have come to see the St Louis Cardinal star as the rare once in a lifetime player who transcends team loyalties Through the 2010 season Pujols hit 408 home runs And every time he touched home plate after sending another baseball to a random bookshelf or trophy case Pujols pointed heavenward Toward the strength behind his otherworldly talents toward the inspiration that lifts him on a daily basis regardless of his team's place in the standings For Jesus Christ is Albert Pujols first love Faith family then maybe baseball Endorsements He matches in his personal life the excellence that he demonstrates on the diamond You will love this book and will love Pujols if

you don't already Mike Huckabee 44th Governor of Arkansas Former Republican presidential candidate Host of Fox News Huckabee Show Best selling author But Pujols argument for greatest player ever isn't nearly as interesting or significant as the fact that there even is an argument That's because perhaps the most amazing thing about Albert Pujols is that less than two years before he began one of the greatest rookie seasons in baseball history he was a non prospect Joe Posnanski Senior Writer at Sports Illustrated included in the Foreword Pujols is full of nuggets Given that the action in the famous poem Casey at the Bat starts with Cooney died at first and Barrows did the same I enjoyed reading that Albert Pujols asks opposing runners at first base If you died today where do you think you're going to go Lamb and Ellsworth lucidly describe both the season by season baseball exploits of Pujols and the impact he's having on some lives for eternity Marvin Olasky Editor in chief World
