Davis, John Nguyet Erni, Carolyn Hardin, Gilbert B. Rodman, Jennifer Daryl Slack, 2025-09-10 *Better Stories* assembles essays and provocations in honor of Lawrence Grossberg's radically contextual and affectively attuned lifework. In over fifty chapters, contributors trace mattering maps of influence, friendship, and intellectual struggle, charged with the hope that thinking together with feeling can change the world. These essays not only comment on Grossberg's ideas and many published works but also engage, expand, confront, and reshape them. Here, cultural studies is not a settled field but an unruly and ongoing conversation, an affective and political project sustained through convivial agonism, where asking so what sparks new thinking and even better stories. With contributions from Charles R. Acland, Preston Adcock, Juan Ricardo Aparicio, Bryan G. Behrenhausen, Tony Bennett, Marcus Breen, Lisa B. Y. Choice Raymond Ngaiza, 2022-06-13 Have you ever felt like life is getting away from you? We all know what it is: to sometimes feel like mere passengers along for the ride, victims of circumstances outside of our control. In this striking work of self-help literature, author Raymond Ngaiza takes up arms against this familiar feeling, showing the myriad ways we determine the course of our lives through the choices we make, whether they be personal or professional, big or small. Inspired by his own experiences of career and lifestyle changes in leaving his training for priesthood, going back to school, taking up writing, and becoming a husband and father, Ngaiza draws on a fascinating array of religious and secular texts, as well as politics, pop culture, and his own life, to show us how we can make the difference in our lives and in the world. Careful to examine all sorts of important dynamics that may come into play in decision making, from being met with a lack of choice or its overwhelming abundance to the methods by which we actually execute our decisions to the issues that may follow our choice making, such as proverbial buyer's remorse, *Choice* is a powerful wake-up call to readers everywhere, reminding us that we can and should become masters of our destinies. *The Choice* Shayla Black, Jenna Jacob, 2021-08-25
