Internal Revenue Service, 2001 *Reproducible Copies of Federal Tax Forms and Instructions* United States. Internal Revenue Service, 2003 *Easy Tax Tips for Canadians* Peggy Ireland, 2011-02-15 This is the tax book for you if You hate tax season You don t understand your taxes You re afraid you always miss a deduction You wish someone could make this easier Easy Tax Tips keeps it simple with hints and tips for regular wage earners in plain English that allows you to save money by doing your taxes yourself Updated February 2013 *Tax administration advance tax refund program was a major accomplishment, but not problem free.* ,2002 IRS and FMS should be commended for the extensive amount of work they accomplished in a short period of time to issue 86 million advance tax refund checks While there are bound to be implementation issues in any effort of this magnitude IRS responded to problems quickly so that only a small percentage of advance refund checks were affected Although taxpayers experienced problems in reaching IRS by telephone IRS probably did as good as it could considering the increased demand for assistance the number of staff available and the fact that the advance tax refund was a one time event that made it unrealistic to hire and train additional staff Although this report discusses various implementation issues related to the advance tax refund program and the rate reduction credit we are not recommending any specific corrective actions related to those issues Because our review focused on the advance tax refund program we have no basis for knowing whether the identified issues were unique to that program or more widespread and not knowing that we have no basis for recommending specific changes to IRS s policies or procedures The various observations we identified in the prior section of this report should be useful to IRS if faced with similar challenges in the future However IRS staff who were involved in planning and implementing the advance tax refund program including those aspects related to the rate reduction credit are in an even better position than either us or TIGTA to assess IRS s performance and suggest alternative approaches for handling the challenges involved in such an effort That kind of in house assessment while including the results of work done by us and TIGTA could delve into details that we did not such as IRS s
