MLB Playoffs Latest:

CC Sabathia Therese M. Shea, 2010-08-01 Presents insights into CC Sabathia's life including his inspirations, rise to stardom and achievements *Save Baseball* Larry Hausner, 2024-01-29 Major League Baseball has been in crisis in recent years. Game attendance is down by millions and fan interest is in free fall. The future of the game is in jeopardy. While the League acknowledges the issues, many are stumped as to how to address them. This book explores in detail the critical challenges facing MLB and their ramifications along with some potential solutions. Interviews with baseball insiders, players to executives give a perspective on baseball's struggle to reinvent itself for future generations **The Ultimate New York Mets Time Machine Book** Martin Gitlin, 2021-04-01 From their ignominious 40-120 debut in 1962 to the Miracle Mets of the shocking 1969 season to the teams of Darryl Strawberry, David Wright and Jacob deGrom, the New York Mets have in nearly sixty years become the city's other beloved baseball franchise with its fan base stretching well beyond the New York suburbs. The Mets' rich history is told in over two dozen engaging chapters celebrating the highlights as well as the low lights of baseball's most lovable team win or lose **The Business of Sports** Scott Rosner, Kenneth Shropshire, 2011-01-07 The Business of Sports, Second Edition is a comprehensive collection of readings that focus on the multibillion dollar sports industry and the dilemmas faced by today's sports business leaders. It covers professional, Olympic and collegiate sports and highlights the major issues that impact each of these broad areas. The Second Edition provides insight from a variety of stakeholders in the industry and covers the major business disciplines of management, marketing, finance, information technology, accounting, ethics and law. Each chapter features concise introductions, a broad range of focused readings and targeted discussion questions and graphs and tables to convey relevant financial data and other statistics *Major League Baseball Organizations* Frank P. Jozsa Jr., 2016-10-07 This book analyzes and highlights the development and success of major league baseball teams in the National League and the American League, focusing on each team's performance in seasons and postseasons and to what extent each succeeded as a business enterprise despite competition for market share from other types of entertainment. The book discusses historical and financial information about the 30 major league franchises. Each chapter contains two core themes: Team Performances and Franchise Business. The former highlights which and how teams won division and league championships and World Series while the latter lists and compares financial data including their revenue, gate receipts and operating income and describes interesting business topics. Each chapter also provides an overview of when each franchise organized and why it joined MLB, a brief profile of its current majority owner or ownership group, records of teams' special coaches and players' attendances at home games and how their ballparks rank as a venue for fans. Baseball Business explains why particular teams located in large, mid-sized or small markets win more games and titles than others and when and how frequently that occurs. Furthermore, it provides ways to compare franchises' financial success individually by division and by league. By linking and comparing the historical performances of MLB teams to

financial information about them as business organizations this book offers a unique contribution to the literature on the sports industry

The Umpire Was Blind! Jonathan Weeks, 2020-05-21 In the words of former American League umpire Nestor Chylak umpires are expected to be perfect on the first day of the season and then get better every day Forced to deal with sullen managers and explosive players they often take the blame for the failures of both But let's face it umpires are only human For well over a century the fortunes of Major League teams and the fabric of baseball history itself have been dramatically affected by the flawed decisions of officials While the use of video replay in recent decades has reduced the number of bitter disputes many situations remain exempt from review and are subject to swirling controversy In the heat of the moment mistakes are often made sometimes with monumental consequences This book details some of these more controversial calls and the men who made them

Playing for a Winner Brandon Isleib, 2017-01-10 He never felt like a Hall of Famer You can't argue with championships If he was so good why were his teams so bad On talk shows and in sports bars statements like these are often made about both underrated and overrated players It's generally accepted that being in a bigger market or on a winning team can cause a player to be overrated while the opposite can leave them underrated Examining pennant races to show how much attention a team receives and which teams are getting the most attention provides a context to this familiar commentary This book studies the effects of the sports media spotlight and its absence on the fortunes of teams in pennant races and Hall of Fame inductees Along the way the author brings to light accomplished players most non fans have probably never heard of

Sports Rhymes of the Oakland Athletics Paul Aday, 2025-09-10 The Oakland Athletics four championship teams in 1972 1973 1974 and 1989 and Oakland's five Hall of Fame players with retired uniform numbers Jim Hunter Reggie Jackson Rollie Fingers Dennis Eckersley and Rickey Henderson are the subjects of this book of poems Not only do the baseball poems rhyme they are also entertaining and informative These biographical and team poems have the added bonus of reminding kids and adults about math concepts like averages percentages fractions and decimals and writing concepts like chronology setting alliteration fact versus opinion cause and effect metaphors and similes and personification In Sports Rhymes of the Oakland Athletics Paul Aday seamlessly weaves together poetry and history in a truly brilliant fashion He researched the history of the A's but in a storytelling method rich with facts statistics and unique trivia not even found on our site Sean Holtz of Baseball Almanac www.baseball-almanac.com

Fairness in Antitrust in National Sports (FANS) Act of 2001 United States. Congress. House. Committee on the Judiciary, 2001

The Oxford Handbook of Sports Economics Volume 2 Leo H. Kahane, Stephen Shmanske, 2012-05-24 Shmanske and Kahane have organized over 50 essays from prominent Sports Economists into two volumes around two related themes This second volume explains how sports helps economics via quality data used to test a variety of economic theories

The Oxford Handbook of Sports Economics Volume 1 Leo H. Kahane, Stephen Shmanske, 2012-05-31 Shmanske and Kahane have organized over 50 essays from prominent Sports Economists into two volumes around two related themes This second

volume explains how sports helps economics via quality data used to test a variety of economic theories **The Oxford Handbook of Sports Economics: Volume 1: The Economics of Sports** Leo H. Kahane, Stephen Shmanske, 2012-03-16

Stephen Shmanske and Leo Kahane have brought together nearly all of the important authors in the quickly growing field of Sports Economics to contribute chapters to this two volume set The result is truly informative in its content and path breaking in its importance to the field Anyone contemplating research in the field of sports economics will find the works in these volumes to provide both ample background in subject after subject and numerous suggestions for future avenues of research The editors have recognized two ways that economics and sports interact First economic analysis has helped everyone understand many of the peculiar institutions in sports And second quality data about individual productivity salaries career histories teamwork and managerial behavior has helped economists study topics as varied as the economics of discrimination salary dispersion and antitrust policy These two themes of economics helping sports and sports helping economics provide the organizational structure to the two volume set The reader will find that sports economists employ or comment on practically every field in economics Labor Economics comes into play in the areas of salary formation salary dispersion and discrimination Baseballs history and the NCAA are studied with Industrial Organization and Antitrust Public Finance and Contingent Value Modeling come into play in the study of stadium finance and franchise location The Efficient Market Hypothesis is examined with data from gambling markets Macroeconomic effects are studied with data from mega events like the Super Bowl The World Cup and the Olympics The limits of Econometrics are pushed and illustrated with superb data in many of the papers herein Topics in Applied microeconomics like demand estimation and price discrimination are also covered in several of the included papers Game Theory measurement of production functions and measurement of managerial efficiency all come into play Talented authors in each of these fields have made contributions to these volumes The volumes are also rich from the point of view of the sports fan Every major team sport is covered and many interesting comparisons can be made especially between the North American League organization and the European style promotion and relegation leagues Golf NASCAR College athletics Womens sports the Olympics and even bowling are represented in these pages There is literally something for everyone **Kings of the Garden** Adam J. Criblez, 2024-04-15

In **Kings of the Garden** Adam J Criblez traces the fall and rise of the New York Knicks between the 1973 the year they won their last NBA championship and 1985 when the organization drafted Patrick Ewing and gave their fans hope after a decade of frustrations During these years the teams led by Walt Frazier Earl Monroe Bob McAdoo Spencer Haywood and Bernard King never achieved tremendous on court success and their struggles mirrored those facing New York City over the same span In the mid seventies as the Knicks lost more games than they won and played before smaller and smaller crowds the city they represented was on the brink of bankruptcy while urban disinvestment growing income inequality and street gangs created a feeling of urban despair **Kings of the Garden** details how the Knicks fortunes and those of New York City were inextricably

linked As the team's Black superstars enjoyed national fame Black musicians DJs and B boys in the South Bronx were creating a new culture expression hip hop that like the NBA would become a global phenomenon Criblez's fascinating account of the era shows that even though the team's efforts to build a dynasty ultimately failed the Knicks like the city they played in scrappily and spectacularly symbolized all that was right and wrong with the NBA and the nation during this turbulent creative and momentous time **Jet**,2008-10-13 The weekly source of African American political and entertainment news **American Sports** Murry R. Nelson,2013-05-23 America loves sports This book examines and details the proof of this fascination seen throughout American society in our literature film and music our clothing and food and the iconography of the nation This momentous four volume work examines and details the cultural aspects of sport and how sport pervasively reflects and affects myriad aspects of American society from the early 1900s to the present day Written in a straightforward readable manner the entries cover both historical and contemporary aspects of sport and American culture Unlike purely historical encyclopedias on sports the contributions within these volumes cover related subject matter such as poetry novels music films plays television shows art and artists mythologies artifacts and people While this encyclopedia set is ideal for general readers who need information on the diverse aspects of sport in American culture for research purposes or are merely reading for enjoyment the detailed nature of the entries will also prove useful as an initial source for scholars of sport and American culture Each entry provides a number of both print and online resources for further investigation of the topic **Making the Play** Dave Winfield,2008-02-05 Hall of Famer and former Yankee great Dave Winfield presents his compelling plan of action for saving baseball from self destruction Urbane and entertaining this work inspires readers to get out of their armchairs and into the action **Health Communication and Sport** Jimmy Sanderson,Melinda R. Weathers,2022-06-01 Health Communication and Sport Connections Applications and Opportunities aggregates sport and health communication into a collective resource that advances scholarly inquiry at the intersection of these two fields Through bringing together a collaborative of scholars and practitioners who are doing work in areas ranging from mental health to media to youth sports and social media this volume evaluates health communication issues in sport contexts and inspires work that will answer contemporary questions and problems **Jet**,2008-10-13 The weekly source of African American political and entertainment news **Scholastic Year in Sports 2018** James Buckley Jr.,2017-11-28 Featuring the top athletes and sports moments from the past year this is the must have guidebook for any young sports fan For sports fans of all ages The brand new 2018 edition of Scholastic's annual Year in Sports features full color action photographs throughout completely updated facts and stats and a colorful interior design Read about all of the top athletes championships and legends from the major and secondary sports Featuring all your favorite stars in baseball basketball football and more this book is perfect for sports newbies as well as the most devoted fans **At Long Last** Various Authors,2023-11-14 The Texas Rangers are 2023 World Series champions History was made in 2023 as the Texas Rangers triumphed over the Arizona

Diamondbacks to seize their first World Series championship since arriving in the Lone Star State in 1972 At Long Last The Texas Rangers Historic Run to the 2023 World Series takes fans through an incredible year marked by defiant self belief Led by new manager Bruce Bochy and a star studded squad the Rangers raced to their best regular season start in franchise history and demonstrated remarkable heart on the long path to victory Through insightful stories from Rangers Today and dynamic photos relive all the key moments of this championship journey including the Wild Card series against the Tampa Bay Rays the dominant ALDS sweep of the Baltimore Orioles a nerve wracking Game 7 against the Houston Astros and finally raising the trophy after defeating the unpredictable Diamondbacks This commemorative book also includes feature stories on popular figures like Bochy Corey Seager Josh Jung Adolis Garc a and more
