Strength through Diversity Barry M. Goldenberg, 2025-01-14. For nearly seven years from 1967 to 1974, many hundreds of bright college-going youth, most of whom had previously been labeled as high school dropouts, would proudly celebrate their graduation from Harlem Prep, a small educational experiment that grew to become a nationally renowned, cherished community institution in the iconic Black neighborhood of Harlem. Operating in a repurposed supermarket that used blackboards as classroom dividers, the school's unique multicultural philosophy inspired all who stepped foot inside. This philosophy, exemplified by the school's motto of unity through diversity, shaped the school's ethos, fostered student achievement, and most of all, made Harlem Prep distinct from any other educational institution past or present. In *Strength through Diversity*, Barry M. Goldenberg shares the history of this one-of-a-kind multicultural institution from its rise to its apex and decline, revealing the collective stories of hope, struggle, and love from administrators, teachers, community members, and students. Using history as a blueprint, Goldenberg illustrates the untapped potential of multicultural education in the ongoing quest for educational equity. strengththroughdiversity.com

Around Hong Kong 711 Way English Lawrence Mateo Shiu, 2025-03-19 Between October and December 2007 out of boredom I suddenly had an idea and decided to visit every 7 Eleven store in Hong Kong Over the course of 60 days I covered 801 stores across the city At the time it was estimated that there were a total of 820 7 Eleven stores in Hong Kong However I chose to stop at 801 stores because some locations were simply impossible to find Additionally I had a sense that with new 7 Eleven stores opening almost daily in Hong Kong I would never have the chance to stop if I didn't pick a point to end Besides 801 and 820 are not too far apart in number and 801 has a pleasant ring to it I consider myself a highly persistent person but walking through all of Hong Kong and finding every 7 Eleven store truly required immense

determination I came up with a method to strengthen myself years ago I volunteered at a charity organization and had maintained a good relationship with them ever since Inspired by certain fundraising methods abroad I decided to donate HK 10 to this charity Crossroads International For every 7 Eleven store I visited As a result I found 801 stores and raised HK 8 010 These funds were mainly contributed by 7 Eleven itself as well as my supportive family and friends
