

A romantic fantasy illustration of a young man and woman sitting on a large, ornate blue armchair in a vast library. The woman, with long brown hair and a white headband, wears a white dress with a blue skirt and holds a green book. The man, with dark hair, wears a brown patterned jacket and holds a quill and an open book. They are both looking at their books. The library is filled with floor-to-ceiling bookshelves packed with books. A glowing, ethereal figure of a woman in a white dress appears behind the couple, surrounded by swirling purple and pink smoke. The floor is covered with a purple patterned rug and several open books. The word "Romantasy" is written in a large, white, cursive font across the bottom of the image.

Fae's Fantasy: A Magical Gender Swap Fantasy Romance Adventure Alyson Belle, Any fantasy can become a reality when magic is involved. Jimmy Calavan's greatest passion in life is the World of Magic, a hyper-realistic online game where he spends hours slaying monsters and seeking treasure as a beautiful magical warrior named Fae. Between his dead-end 9-5 job as a computer repair guy, his bad luck with women, and his nagging mother, his nightly adventures in the game are the highlight of his days. A secret realm where he can do whatever he wants, be whoever he wants, and magic is real. He'd give anything for the chance to actually live there, even though he knows that's just a silly fantasy. But when a limited edition replica of a magical scroll from the game appears at his door one night, Jimmy discovers that sometimes fantasies come true. After reading the words on the strange scroll, he's whisked away to the actual World of Magic, a near-perfect reflection of the game world he knows so well. The only problem? It seems that he's stuck inside the body of the gorgeous female character that he himself designed. Jimmy might know a lot about the World of Magic, but he's never held a sword before, can't use spells, and he certainly doesn't know the first thing about being a woman. All lessons he has to pick up quickly if he wants to survive as Fae in this strange magical realm. With the help of his new friends, Cara, a powerful mage, and Logan, a dashing rogue, that Jimmy's feminine body seems to have a confusing and magnetic attraction toward, he sets off on the biggest adventure of his life in an effort to find his way back to his male body and the only home he's ever known. As frenzied battles are fought and won, friends become lovers, and his strange bond with Logan grows ever stronger, Jimmy soon finds himself asking a new question: Female or not, does he even want to escape this fantasy?
