Overrated nonsense

★ 3/10

I had heard so many good things about this show. The most watched show in Europe, Spain's biggest ever viewing figures etc. Then from a promising start the program just gets more and more ridiculous. Now I know it's just a piece of entertaining fictional drama but half the skill in making a show like this is to get the audience to think as far fetched as the plot is a part of you would like to think it could be done. The show makes the perpetrators and the police look as stupid and as dumb as each other. You get robbers falling in love and having sex, robbers having sex with hostages and wait for it the mastermind behind the robbery having sex with the chief inspector in charge of the police operation. The plot has more holes than a second hand dart board. Only the production value and some good set pieces save this from one star. 3/10
