Read the following passage and then complete all the tasks below:

Last weekend, Lilly's husband Mark went to Asda to do the weekly shopping. Before he left, Lilly made sure she gave him the long list of groceries he had to buy. If he doesn't have a list, he will end up forgetting to buy lots of things. Once he arrived at the supermarket, he parked the car, took a trolley and started shopping straight away. The first thing on the list was a head of lettuce, a bunch of bananas, a box of tomatoes and a bag of spinach. Then he went looking for two boxes of

corn flakes, a jar of strawberry jam, a bag of sugar, a sack of rice and a dozen eggs. He then went over to the fridges and picked up a block of cheese, a pack of butter and a tub of fresh cream. He remembered that they needed a bottle of olive oil and tins of soup. Feeling a bit thirsty, he picked up a few cans of Pepsi and a carton of orange juice. Looking at the list once again, he still needed to pick up a bag of frozen vegetables and chips. That evening, they were having sandwiches for tea, so he chose a nice loaf of bread and slices of cold beef. Last on the list was kitchen roll, a tube of toothpaste and a bottle of shampoo. Once he finished, he felt a bit hungry, so he chose a bar of chocolate and a bag of crisps to eat on the way home.
