Iris Clark,2016-12-30 In the world we live in today we all wish and strive to become better in different aspects of our lives We
want to live life on our terms set many goals that we execute have more time pursuing our passions desires make more
money learn something new spend time meeting our loved ones and new people and a lot more Unfortunately these are just
wishes if we don t do something it is very easy to get lost in the process How many goals have you set and actualized And
how easy hard was it to actualize the goals if at all you did actualize them Do you believe you could do much more with the
24 hours that we all have in a day If you have not actualized as many goals as you would want a possible reason behind this
may be failing to use your morning time wisely because according to you you are just not a morning person In this book you
will find a number of actionable information on how to create a morning ritual that helps you to consistently wake up with
increased energy and ready to achieve your daily goals Even if you are not a morning person this book will give you tips and
strategies for waking up early and making the most of your morning Here is a preview of what you will learn How to create
an effective morning routine How to develop a healthy evening night routine Examples of healthy early morning rituals that
you can incorporate into your life Routines that will improve your confidence mindfulness and contentment **Five**
