Talk Money to Me Jason Tartick, 2024-04-02 What's one thing you know you overspend on but can't live without? If you were given one million dollars, what would you do with it? Answers to questions like these reveal your greatest interests and priorities in life, and they can do the same for your date. Talking money with your romantic interest or partner can feel taboo and so uncomfortable that most people would rather just leave it a mystery. But the numbers don't lie: money is one of the leading causes of tension in relationships, decreased intimacy, and even divorce. Jason Tartick, host of the Trading Secrets Podcast, former banker and partner to top financial organizations like Capital One, walks you through all the numbers you can't ignore in a relationship. With simple terms and interactive questions, you can uncover what you want for your finances and if your next date is compatible. You can also deepen trust and intimacy with your partner and even plan for your dream future together. With Talk Money to Me, you'll learn how to get comfortable starting the money conversations with your partner and loved ones. Learn the most important financial tricks, tactics, and technology to improve money habits. Calculate and manage the eight figures that will critically impact your financial wellbeing. Create independent and joint spending, saving, and investing strategies as a team. Understand the potential repercussions of financial deception. Talking about money is essential for a healthy, lasting relationship and can be one of the most rewarding ways to grow closer to your partner and create an amazing life together.

Make Your Paycheck Last Jason R. Rich, 2004-01-15 Here is the ideal financial resource for students, recent graduates, newlyweds, young professionals, single parents, the recently divorced, recent retirees, and anyone seeking to take charge of their finances. If most or all of your paycheck seems to disappear by the time your monthly expenses are paid or you are in serious debt, this book will help you. Millions of people are living paycheck to paycheck with little or no savings and no game plan for changing their financial predicament. This book, with contributions from real financial experts, is for every one of them. It is an easy-to-read, straightforward, information-packed book for the financially unsophisticated that offers step-by-step directions and dozens of strategies for developing and implementing a custom-tailored budget. Setting and achieving personal and family financial goals. Cutting everyday living expenses. Reducing and eventually eliminating debt. Saving money every month. Earning more money. Planning for the future.
