Media Libraries in an Age of Unending Consumption Mike Van Esler,2023-10-24 As the home video market upended traditional film industry models media libraries emerged as important sources of ancillary revenue The inflection point for media library exploitation came in 2007 when Netflix launched its streaming service relying on extensive licensing of film and television libraries to grow its subscriber base In this book Mike Van Esler examines how media libraries and business models have evolved since the home video era with particular emphasis placed on the streaming age of the past fifteen years Van Esler argues that media libraries have grown beyond their usages from the pre home video era to become central to today s corporate media strategy By studying the ways in which media library exploitation has scaled up since the turn of the new millennium the author identifies insights into larger media industry trends Ultimately this book explores the intersection of corporate media independent distributors private equity tech companies and audiences Scholars of media studies business and sociology will find this book of particular

interest , *The Me I Left Behind* Madeleine Jaimes, Maddie James, 2025-06-24 She thought she could make the marriage work until it nearly destroyed her In *The Me I Left Behind* Book 4 in the emotional and uplifting Tuckaway Bay series Maggie Oliver takes center stage On the outside Maggie has it all three beautiful children a stunning home and financial security But behind closed doors her marriage to the charming but controlling Max has become a prison What began as a calculated agreement has turned into something much darker When a shocking discovery shatters the fragile illusion of her life and a tragic event upends everything she thought she knew Maggie is forced to ask herself At what point did she stop being her And how does she find her way back This poignant and powerful novel explores the raw truths of domestic abuse the quiet strength of women's friendships and the complicated bonds between mothers and daughters Note This novel has a running theme of domestic and family violence including emotional and physical abuse In the United States domestic violence affects an estimated 10 million people annually as many as one in four women and one in nine men It comes in many forms and affects families in countless ways Many cases go unreported to health professionals or the authorities

Making Short Films, Third Edition Clifford Thurlow, Max Thurlow, 2013-05-25 Making movies is the most exciting way to earn a living and it is not surprising that media and film studies remain the most popular courses at colleges across the western world A short film provides an opportunity for elliptical poetic condensed story telling Shorts can take risks rarely seen in features It is the arena where a strong voice or individual vision is possible an invitation for experimentation and originality *Making Short Films* 3rd edition is entirely revised and restructured providing a much more complete and detailed guide to filmmaking with more information on new technology illustrations and ideas for best practice

Making Short Films, Third Edition Max Thurlow, Clifford Thurlow, 2013-07-18 Fully revised and updated practical and inspirational guide for students and independent film makers describing and explaining the whole process from creating an original or adapted script through producing directing and editing to finance and distribution *PC Mag* , 1998-09-01 PCMag.com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology

How do you clear another artist's samples to use in your own recordings? What is the Creative Commons Copyleft movement? How do you clear music for use in an online music service or store? Who decides who gets paid how much and by whom? You will learn the answers to these questions as well as The basics of copyright law looking at the Copyright Act while explaining it in plain language. How revenue streams for music are generated under copyright law. The reasoning behind high profile court decisions related to copyright violations. What licenses are needed for the legal online delivery of music. The intricacies of using music on sites like YouTube, Pandora and Spotify. Deficiencies in current copyright law and new business model ideas.

The Second Song: The Complete Series Emily Stone, 2014-03-27 What do you do when everything in your life just feels wrong? Elise Leroux seems to have it all: a glittering pop career and a cabinet full of awards, not to mention her hot pop star boyfriend Silas. But it's not all that it seems: the songs chosen by her management are cheesy, and as for Silas, well, that is nothing more than a showmance encouraged by their shared management. Despite her frustration at the lack of input she is allowed into her career, Elise is not looking forward to an enforced break between touring and starting her new album, and is even less thrilled when her manager suggests that she return to Louisiana to get in touch with her Cajun roots. The last time she was home, she wasn't exactly made to feel welcome in town. And then there is Avery, a past love not yet forgotten: how will she respond when she finally sees him again?

SNEAK PEEK: Elise Leroux Is that really you, Avery? I gasped. Boy, has he grown up. I tried not to stare. You deign us with your presence? He laughed, reaching for his jeans after he'd towed off most of the mud. I'd seen him do this a thousand times, but he'd been a boy back then. Don't be mean, you know I love this place, I said, playfully encouraged by his lighthearted tone. Come on over. I've got a load of grass ready for Loma. I should have been back a month ago. I'm sure she's out by now. Not quite. I poled over to the dock where his pirogue was loaded with the kind of grass you could only find deep in the bayou. He'd been working hard all day. I feel bad you've been doing this for gran all these years, I said, as I joined him on solid ground, trying not to stare at the hard muscled chest of a man I hardly recognized but he seemed so familiar at the same time. I just assumed she got her swamp grass from ole Mr Thibodaux. She does from time to time, but I don't mind helpin' her out. So what brings you home? He asked, clearly avoiding my gaze as he tied the last bundle of grass and hefted it into the boat. His jaw was clenched almost like he was intimidated, and didn't know how to act around me. I'd seen that look often enough with the people who worked for me, and I did not want to see it on Avery's face. Oh, taking a much needed break from my life as a performing seal, I said with a huge sigh, hoping to ease the tension I felt between us. He burst out laughing, and I saw a bit of the old Avery return. I've often wondered if you saw it, or if you were so blinded by the glitz and the glam that you didn't realize it. What? That I'm a pop princess puppet dancing to the strings my managers wield? Yeah, I see it. I've always seen it, Avery. I've just always hoped it would lead to something more. Me? And has it? He asked, easing his pirogue back into the water, linking it with mine and securing both to the dock. I don't know who I am anymore, so no, I suppose not. It was odd how quickly we slipped back into our old ways of brutal honesty. I had always been able to count on

Avery to tell me the truth It was part of what hurt us the most when we parted ways we d been too honest and hurtful with one another This is the complete series edition of The Second Song

Internet and Distributed Computing Systems Giancarlo Fortino,A.B.M. Shawkat Ali,Mukaddim Pathan,Antonio Guerrieri,Giuseppe Di Fatta,2018-07-23 This book constitutes the proceedings of the 10th International Conference on Internet and Distributed Computing Systems IDCS 2017 held in Mana Island Fiji in December 2017 The 16 full papers presented were carefully reviewed and selected from 40 submissions The papers focus on emerging models paradigms technologies and novel applications related to Internet based distributed systems including Internet of Things cyber physical systems wireless sensor networks next generation collaborative systems extreme scale networked systems and cloud based big data systems
