Veterans Day - Honoring Those Who Served our country

Every year on November 11th, Americans come together to celebrate Veterans Day. It is a special day set aside to honor and express gratitude to the men and women who have served in the United States Armed Forces. Veterans Day provides an opportunity for us to reflect on the sacrifices made by these brave individuals and to recognize their contributions to our nation.

The History of Veterans Day:
Veterans Day has its origins in the aftermath of World War I. In 1918, on the 11th hour of the 11th day of the 11th month, an armistice, or a temporary cessation of hostilities, was declared between the Allied nations and Germany. This marked the end of World War I, which was often referred to as the "war to end all wars." The following year, in 1919, President Woodrow Wilson proclaimed November 11th as Armistice Day, a day to commemorate the heroism of those who served during the war.

The Evolution of Veterans Day:
In 1954, after World War II and the Korean War, Armistice Day was officially renamed Veterans Day. This change broadened the scope of the holiday to honor veterans
