Cohesive Story Building Karen Wiesner, 2015-11-12 Without layering a

story is one dimensional unbelievable boring Layers mean stronger characters settings plots suspense intrigue emotions and motivation Layering also produces cohesion of all elements Characters must blend naturally with the setting the writer has placed them just as plot becomes an organic part of character and setting If a story doesn't work it could very well be because the elements aren't cohesive Cohesive Story Building shows how each element hinges on the other two and how to mix them until they fuse irrevocably Additionally Cohesive Story Building carefully explores each stage of story development from brainstorming and outlining to drafting and revision From a thorough look at the fundamentals of writing to comprehensive story building techniques as well as submission guidelines and etiquette this must have guide will see writers through the entire book writing process from start to finish Set within the framework of comparing the process of building a house to the process of building a story Cohesive Story Building gives a solid plan of action from start to finish through in depth examples and exercises and leave no stone unturned checklists that will help writers take the plan into their own writing Features detailed examples from published books to illustrate story building principles Those who have read Karen S Wiesner's reference First Draft Outline which focuses on in depth outlining and goal setting will find Cohesive Story Building a perfect companion to that book [Writing Blurbs That Sizzle--And Sell!](#) Karen S. Wiesner, 2018-10-09 Make your book fly off the shelves Every author knows what a back cover blurb is but crafting an effectively good one is no easy task Many writers outright dislike writing them or dread the process because so much is at stake if the blurb fails to engage A sizzling back cover blurb needs to convince readers they absolutely have to read the story inside the pages or they'll set the book down without ever opening it Additionally a powerful series blurb can sell not just one book but all of them in that set High concept blurbs are necessary in every author's marketing to provide intriguing sound bites that sell books and series Writing Blurbs That Sizzle And Sell is the definitive guide on how to craft back cover series and high concept blurbs
