Venkata Subba Reddy & A. Jyotsna, 2018-01-01 Globalization has given the world opportunities to bring people together in ways previously undreamt of in both real and virtual worlds. However, it has privileged industrialized capitalist growth and initiated a series of environmental, financial, demographic, and political crises. The poorest people on the planet have been most adversely affected through loss of jobs, low paid work that is insufficient to provide a decent standard of living, health hazards, rising food and energy prices, environmental degradation, armed conflict, and resource depletion. In this context, the Millennium Development Goals (MDGs) which had looked to a more prosperous future for the planet's most disadvantaged people only a few years ago are unlikely to be met across the board. And the challenges of environmental degradation question the very relevance of the MDG targets in contemporary societies.

Handbook of Applied Dog Behavior and Training, Procedures and Protocols Steven R. Lindsay, 2013-05-31 The Handbook of Applied Dog Behavior and Training series provides a coherent and integrated approach to understanding and controlling dog behavior. In Volume 3, various themes introduced in Volumes 1 and 2 are expanded upon, especially causally significant social, biological, and behavioral influences that impact on the etiology of behavior problems and their treatment. Ethological observations, relevant behavioral and neurobiological research, and dog behavior clinical findings are reviewed and critiqued in detail. Many of the training concepts, procedures, and protocols described have not been previously published, making this book a unique contribution to dog behavior and training literature. **The Healing Guide to Flower Essences** Alena Hennessy, 2020-05-05 Connect with the magick and frequency of 100 flower essences. The power of Nature to heal has been accepted for many millennia. Flowers inspire us with their beauty, beguile us with their fragrance, and can have medicinal properties in their oils and plant matter. However, the healing properties of flowers go even deeper. Each flower holds a unique energetic fingerprint or essence that can be used for healing, wellness, and self-discovery. Organized by categories such as transformation, inspiration, boundaries, healing, and self-esteem, *The Healing Guide to Flower Essences* helps you quickly find the right remedy for your wellness and self-discovery. For example, you can use Larch for overcoming doubt and insecurity, Gentian for perseverance and optimism after a setback, or Cherry Plum for surrender and trust in one's soul path. Each flower entry provides a list of what its essence can assist you with, along with an invocation and a description of its physical properties, uses, and benefits. Written by noted artist and flower essence practitioner Alena Hennessy and lovingly illustrated with original botanical art and illustration with co-illustrator Jane Hennessy, this user-friendly guide also includes the history of flower essences dating back almost 3,000 years. The original 38 flower remedies created by Dr. Bach. How to connect more deeply with the properties and messages of the flowers by making your own flower essence remedies. What it's like to work with flower essences through insightful personal interviews with flower essence practitioners. A resource section.
