Steal This Idea M. Perelman,2016-09-27 This book describes how corporate powers have erected a rapacious system of intellectual property rights to confiscate the benefits of creativity in science and culture This legal system threatens to derail both economic and scientific progress while disrupting society and threatening personal freedom Perelman argues that the natural outcome of this system is a world of excessive litigation intrusive violations of privacy the destruction system of higher education interference with scientific research and a lopsided distribution of income [The Drama of Ideas](#) Martin

Puchner,2010-04-14 Most philosophy has rejected the theater denouncing it as a place of illusion or moral decay the theater in turn has rejected philosophy insisting that drama deals in actions not ideas Challenging both views The Drama of Ideas shows that theater and philosophy have been crucially intertwined from the start Plato is the presiding genius of this alternative history The Drama of Ideas presents Plato not only as a theorist of drama but also as a dramatist himself one who developed a dialogue based dramaturgy that differs markedly from the standard Aristotelian view of theater Puchner discovers scores of dramatic adaptations of Platonic dialogues the most immediate proof of Plato s hitherto unrecognized influence on theater history Drawing on these adaptations Puchner shows that Plato was central to modern drama as well with figures such as Wilde Shaw Pirandello Brecht and Stoppard using Plato to create a new drama of ideas Puchner then considers complementary developments in philosophy offering a theatrical history of philosophy that includes Kierkegaard Nietzsche Burke Sartre Camus and Deleuze These philosophers proceed with constant reference to theater using theatrical terms concepts and even dramatic techniques in their writings The Drama of Ideas mobilizes this double history of philosophical theater and theatrical philosophy to subject current habits of thought to critical scrutiny In dialogue with contemporary thinkers such as Martha Nussbaum Iris Murdoch and Alain Badiou Puchner formulates the contours of a dramatic Platonism This new Platonism does not seek to return to an idealist theory of forms but it does point beyond the reigning philosophies of the body of materialism and of cultural relativism [iPad and iPhone Tips and Tricks](#) Jason R.
