Dear,

Disney parks are among the most remarkable places in the world for the entertainment, it has magical aura and it holds cherished place in the hearts of millions of people who visited there every year.

I am fortunate enough that today I got the opportunity to represent my honourable country INDIA, its culture, tradition and at last my prestigious Chitkara university through which I got this opportunity. This internship at Disney world will going to be a lifetime experience. Working as an intern at Disney world would not only brush up my skills but would open up numerous doors for better career opportunities. This intership would be a chance for me to practicalised the ritual "Atithi Devo Bhava" i.e The guest is equivalent to god. The work culture of Disney world will enhance my knowledge regarding different work styles and different ways to serve guests which will help me to become independent in my future profession. By this experience at Disney world I will become more responsible & more ethical in my profession. I will return back to my country by gaining a lifetime experience. I assure you that I will work with my blinkers on and will give my best .

Heartful thank you to the Disney world for making me a professional from an intern.

Sincerely

Aashna Aggarwal
