

COVER LETTER FORMAT

Dear Miss Gil,

My associate from the Raffles Marketing Group James Osterlund has informed me of your need for an Operations Manager for your industry specific brands Conway Cosmetics and eHaulpockets.

In this tough economy, I believe my technical and management background with focus in product marketing, crisis management and front-end customer service resolutions would be a perfect fit for your organization. In 2011, I have achieved sizeable productivity increases for Lapelle Electronics, HughesMerch and TabTax LLC. For these accounts, I have managed to turnaround figures despite the unfavorable decline in the tech market. Working within these confines, I have also built effective core teams under the best interest of the company's vision, time and resources. People know me as a motivated and dedicated leader. As my sucessess are a result of my team's combined effort to show consistency under my guidance.

If you believe you can benefit from a highly aggressive and talented professional with a signature reputation for generating results, then I would welcome the opportunity to meet with you.

Thank you for your time and consideration.

Sincerely,

Librarian's Guide to Writing for Professional Publication Marta Mestrovic Deyrup, 2018-12-04. Professional publication can take your career to the next level. Use this guide to learn the best ways to share your expertise and show commitment to the profession through publishing. Even if you're not yet confident about your experience, ideas, or writing skills, more than likely you're ready to consider publishing. This practical guide will supply the encouragement and direction for you to effectively communicate using the written word and start publishing, which will likely serve to boost your career. It explains the difference between traditional and self-publishing, supplies advice on picking a publisher and working successfully with a publisher, and provides useful information on copyright, open access publishing, and contract signing. While geared to all librarians, this book also includes text intended specifically for librarians on the tenure track and those who wish to experiment with new media. The book supplies writing templates that make it simple to write various types of communication, such as a letter to the editor, effective emails and memos, or a compelling letter of recommendation, a news release, newsletter, or feature story, and conference proceedings, peer-reviewed articles, technical manuals, or brochures. You'll also learn how to write a proposal for a book or journal article to submit to a publisher and how to turn your master's thesis or doctoral thesis into a published work. Any librarian who is serious about advancing their career will find this an invaluable resource.
