Video Icons & Values Alan M. Olson, Christopher Parr, Debra Parr, 1991-01-01 This book focuses on the most powerful agency of value formation in our time the video image as purveyed through television and mass media Special

attention is given to the impact of television on education and the challenges of instructing a generation of children who have never known a time before television. Both the negative and the positive implications and consequences of video technology are discussed in the book by a range of experts in the humanities and social sciences. Among the prominent issues and questions: How does television function as an agent of value formation? What is the impact of conventional commercial format on values and critical judgment? What is a video text and how is it different from a conventional text? How do we develop the instructional tools to teach people to be critical viewers? What is television's place in the arts and what is a video artist? What happens to consciousness after viewing 30,000 or more hours of television by the time an individual graduates from high school? Is the growing problem of illiteracy directly attributable to television? The social and moral implications of television during its second 50 years will be profound and far-reaching. The authors of *Video Icons and Values* provide valuable clues as to what these implications are, will be, and what can be done about them. **Nonlinear Dynamics and Complexity**

Valentin Afraimovich, Albert C. J. Luo, Xilin Fu, 2013-11-22. This important collection presents recent advances in nonlinear dynamics including analytical solutions, chaos in Hamiltonian systems, time delay, uncertainty, and bio network dynamics. *Nonlinear Dynamics and Complexity* equips readers to appreciate this increasingly mainstream approach to understanding complex phenomena in nonlinear systems as they are examined in a broad array of disciplines. The book facilitates a better understanding of the mechanisms and phenomena in nonlinear dynamics and develops the corresponding mathematical theory to apply nonlinear design to practical engineering. *Late-Night in Washington* Stephen J.

Farnsworth, S. Robert Lichter, Farah Latif, 2023-09-01. This book traces the trajectory of late night political humor which has long been a staple of entertainment television and is now a prominent part of social media political discourse, especially when it comes to the presidency. From Richard Nixon on *Laugh In* to Donald Trump's avatar on *Saturday Night Live*, this book takes the next step and considers how late night comedy treats Joe Biden, the new American president who strives to restore a civil public tone but offers far less comedy fodder than his predecessor. Employing content analysis, public opinion surveys, and a variety of other quantitative and qualitative research, the authors look beyond the day-to-day memes and mimes of late night comics and show how political humor may evolve. For students and scholars of politics and the media, this book will appeal to the general public and political pundits as well. *Godfit* John Hayden, 2015-03-30. Understanding how fitness relates to our relationship with God and our ability to be a servant for His kingdom is crucial for discipleship. GODFIT is a training manual, devotional, and online resource to educate, challenge, and motivate you to understand your calling to serve and to be able to take action. GODFIT is a six-week program designed to take you through a spiritual and physical journey towards a healthier lifestyle. GODFIT will challenge you to stay faithful in three different areas of your life: spiritual disciplines, healthy choices, and physical fitness. The goal is simple: Stay committed to becoming spiritually well and physically well, and watch God work in your life. Watch God transform your attitude, your energy levels, and your perceptions. The purpose of GODFIT is to learn

how to become a better servant for Gods kingdom We are all gifts to this world We have all been given gifts for this world

work to examine British variety theatre Double provides a detailed history of this art form and analyses its performance dynamics and techniques Encompassing singers comedians dancers magicians ventriloquists and diverse speciality acts this vibrant book draws on a series of new interviews with variety veterans **Austrian Information** ,1994 **Inside the Video Game Industry** Judd Ruggill,Ken McAllister,Randy Nichols,Ryan Kaufman,2016-11-03 Inside the Video Game Industry offers a provocative look into one of today s most dynamic and creative businesses Through in depth structured interviews industry professionals discuss their roles providing invaluable insight into game programming art animation design production quality assurance audio and business professions From hiring and firing conventions attitudes about gender disparity goals for work life balance and a span of legal psychological and communal intellectual property protection mechanisms the book s combination of accessible industry talk and incisive thematic overviews is ideal for anyone interested in games as a global industry a site of cultural study or a prospective career path Designed for researchers educators and students this book provides a critical perspective on an often opaque business and its highly mobile workforce Additional teaching materials including activities and study questions can be found at <https://www.routledge.com/9780415828284>

Advances in Rugby Coaching Richard Light,John R. Evans,Stephen Harvey,Rémy Hassanin,2014-09-19 Contemporary sports coaching studies have moved beyond simple biophysical approaches to more complex understandings of coaching as a set of social relationships and processes This is the first book to examine what that means in the context of one major international sport rugby union Drawing on cutting edge empirical research in the five most powerful rugby playing nations as well as developments in pedagogical and social theory the book argues for an holistic approach to coaching coach development and player and team performance helping to close the gap between coaching theory and applied practice With player centered approaches to coaching such as Game Sense and Teaching Games for Understanding at the heart of the book it covers key contemporary topics in coach education such as Long term coach development Experience and culture in coaching practice Positive coaching for youth rugby Improving decision making ability Collaborative action research in rugby coaching Informed by work with elite level rugby coaches and examining coaching practice in both the full and sevens versions of the game this book encourages the reader to think critically about their own coaching practice and to consider innovative new approaches to player and coach development It is essential reading for all students of sports coaching with an interest in rugby and for any coach manager or administrator looking to develop better programmes in coach education

My Song (Enhanced Edition) Harry Belafonte,Michael Shnayerson,2011-10-11 This deluxe eBook edition of Harry Belafonte s remarkable memoir includes nearly eighteen minutes of original video Mr Belafonte talking about his first meeting with Martin Luther King Jr his friendship with Sidney Poitier the making of We Are the World and much more the bonus song Jump in the Line from the companion album Harry Belafonte Sing Your Song The Music and the book s photographs compiled as a slide show Harry Belafonte is not just one of the greatest entertainers of our time he has led one

of the great American lives of the twentieth and twenty first centuries Now at last this extraordinary icon tells us about it all his poverty ridden childhood in Harlem and Jamaica his meteoric rise to become one of the world s most popular singers breaking down racial barriers that no one had broken before achieving equal popularity with white and black audiences his lifelong passionate involvement at the heart of the civil rights movement and countless other political and social causes Along the way he s befriended many beloved and important figures in both entertainment and politics Paul Robeson Eleanor Roosevelt Sidney Poitier John F Kennedy Marlon Brando Martin Luther King Jr Robert Kennedy Nelson Mandela Fidel Castro and writes about them with the same exceptional candor and insight with which he reveals himself on every page As both an artist and an activist Belafonte has touched the lives of countless men and women With *My Song* he has found yet another way to entertain and inspire us It is an electrifying memoir from a remarkable man

Television Goes Back to the Future Anthony N. Smith, Laura Minor, 2025-11-08 This book examines the extent to which the practices of television s past are shaping its online future Challenging industry and scholarly claims of digital disruption it demonstrates how streaming giants like Netflix Disney and Amazon Prime Video alongside public service broadcasters like the BBC and Channel 4 maintain deep continuities with television history adapting established industry practices online rather than abandoning them The authors look at how media institutions have applied conventional broadcast television practices around live transmissions linear scheduling commercial interruption and episode release cadences to streaming platforms how narrative and genre norms continue to underpin American television drama and British TV sitcoms in online contexts and how globalised streaming services cultivate country specific programming and retain close ties to traditional practices of national broadcasting systems in South Korea

The Television Genre Book Glen Creeber, 2023-11-30 In this new edition of *The Television Genre Book* leading international scholars have come together to offer an accessible and comprehensive update to the debates issues and concerns of the field As television continues to evolve rapidly this new edition reflects the ways in which TV has transformed in recent years particularly with the emergence of online streaming services such as Netflix Disney HBO Max and Amazon Prime It also includes a new chapter on sports TV and expanded coverage of horror political thrillers Nordic noir historical documentary and docu drama With analyses of popular shows like *Stranger Things* *Killing Eve* *The Crown* *Chernobyl* *Black Mirror* *Fleabag* *Breaking Bad* and RuPaul s *Drag Race* this book offers a comprehensive understanding of television genre for scholars and students alike
