Phonics Fundamentals Amy-Louise Peach, 2025-12-27 A practical guide to the teaching of phonics for all those supporting children's literacy learning

Resources in Education, 2001-04

Re-theorizing Literacy Practices David Bloome, Maria Lucia Castanheira, Constant Leung, Jennifer Rowsell, 2018-12-07 Moving beyond current theories on literacy practices this edited collection sheds new light on the complexities inherent to the social cultural and ideological contexts in which literacy practices are realized Building on Brian V Street's scholarship contributors discuss literacy as intrinsically social and ideological and examine how the theorizing of literacy practices has evolved in recognition of the diverse contexts in which written language is used Breaking new intellectual and theoretical ground this book brings together leading literacy scholars to re-examine how educational and sociocultural contexts frame and define literacy events and practices Drawing from the richness of Brian V Street's work this volume offers insights into fractures tensions and developments in literacy for scholars students and researchers

Reading Randomised Controlled Trials Robert Savage, Amy Fox, Anneka Dawson, Helen Gray, Clare Huxley, 2025-03-03 In early 2021/22 the Flexible Phonics reading intervention a large scale randomised controlled trial took place in 118 schools in England and involved nearly 3 000 children This study aimed to provide valuable insights into the success of largely school based education trials The Flexible Phonics trial proved to be not only an important experiment in improving children's literacy but a case study in which the methodology of single randomised controlled trials in education can be considered Reading Randomised Controlled Trials investigates the complexities of conducting randomised controlled trials in the field of education and how they can be seen as a cultural activity The book emphasises the human operations decision making and actions that drive such trials which are often overlooked in published reports Through the case study of Flexible Phonics the book highlights the key differences between scaled educational trials and other types of trials such as pharmaceutical trials The additional focus on early childhood literacy is of significant educational importance particularly in the context of UK school partial closures in 2020 and 2021 during the Covid 19 pandemic Reading Randomised Controlled Trials is ultimately a unique resource on the implementation of randomised controlled trials in authentic school contexts and for the sustained improvement of practice in education
