Every Last Fish Rose George, 2025-10-23 Cold blooded slippery wet and strange fish can be hard to think of as fellow animals and easier to consider as food But what do we know of these creatures on our plates and what do we know of how they got there In Every Last Fish Rose George takes us inside the vast legal industries that support our appetite for fish fingers and salmon sandwiches and the equally colossal

illegal fishing trade whose practices and standards are unmonitored and often dangerous It introduces us to the men and it is mostly men who fish the women and it is mostly women who process the flesh and strive to keep fishing communities afloat It takes us from Alaska to Senegal via Scotland Norway and Massachusetts and from the nets on the surface to the murky depths of the sea bed It will transform the way you look at fish and change your understanding of what lies behind the inscrutable eye that looks back at you *Liber Memorandum Ecclesie de Bernewelle* John Willis Clark,2011-06-23 Published in 1907 this thirteenth century record of the Augustinian Priory of Barnwell Cambridge is an important source for medieval history **The Mystery of Twin Peaks** Caroline Frank,Markus Schleich,2025-09-26 The anthology brings together various approaches and contexts to Twin Peaks addressing the show s unique production and reception aesthetics The range of contributions covers diverse topics genre mixing transactuality complex narrative structures dream and dreamlike qualities gender and identity concepts extreme fan culture visual aesthetics acoustic dimensions postmodern referential culture and not least the question of which other quality TV series became possible due to Twin Peaks The History and Antiquities of the Exchequer of the Kings of England ... from the Norman Conquest ... to the End of the Reign of Edward II Madox,1769 **New Mexico Law Review** ,2013 *The History and Antiquities of the Exchequer of the Kings of England, in Two Periods* Thomas Madox,1769 **Monasticon Anglicanum** William Dugdale,1846 *Journals of the House of Lords* Great Britain House of Lords,1691 The SAGE Handbook of Social Media Research Methods Anabel Quan-Haase,Luke Sloan,2022-09-02 This second edition has been comprehensively updated and expanded from 39 to 49 chapters The Handbook spans the entire research process from data collection to analysis and interpretation **Gaming Democracy** Adrienne L. Massanari,2024-10-15 How play and gaming culture have mainstreamed far right ideology through social media platforms From Gamergate to the ongoing Big Lie the far right has gone mainstream In Gaming Democracy Adrienne Massanari tracks the flames of toxicity found in the far right and alt right movements as they increasingly take up oxygen in American and global society In this pathbreaking contribution to the fields of internet studies game studies and gender studies Massanari argues that Silicon Valley s emphasis on meritocracy and free speech absolutism has driven this rightward slide These ideologies have been coded into social media spaces that implicitly silence marginalized communities and subject them to rampant abuse by groups that have learned to game the ecology of platforms algorithms and attention economies While populist movements are not new phenomena such as QAnon parental rights activism and COVID denialism are uniquely of the internet with supporters demonstrating both technical acumen and an ability to use memes and play as a way of both building community and fomenting dissent Massanari explores the ways that the far right uses memetic humor and geek masculinity as tools both to create a sense of community within these leaderless groups and to obfuscate their intentions Using the lens of play and game studies as well as the concept of metagaming Gaming Democracy is a novel contribution to our understanding of online platforms and far right political activism The Reports of Sir Edward Coke, Kt.
