Graham, Edgar Allan Poe, 1831 **New York Journal of Romance, General Literature, Science and Art**, 1854 *Replay: A Hockey Romance* Kim Findlay, 2024-09-30. Josh, I'm not the

brightest guy. I did well in hockey but not in class. So it's not surprising that my mom and Katie's parents convinced me to break up with her back in high school. I thought I was doing the right thing but when I run into her five years later, she lets me know just how badly I messed up. Things are different now. I'm an established hockey player on the Toronto Blaze, not a draft hopeful, and I have my teammates to help me figure out how to win Katie back. I've learned how to fight to get what I want now. And that's Katie. But when trade rumors start, I might be sidelined before I can convince her that this time she's my goal. Katie. Josh broke my heart in high school when he ended a two-year relationship by text. Since then, I've put my education first and I'm now working on my master's in math in Toronto. What are the odds I'd run into the guy again in a city of millions? I'm angry with him but when I find out what our parents did, I'm angrier with them. I agree to be friends like we were before we started dating. Until those pesky feelings arise and despite how ordinary I am, he's pushing for more. I had my life planned out and I don't know if getting involved with Josh again will be a mistake that derails my future or the key to getting everything I want. With school struggles and trade rumors and family disapproval, what's the right solution to this problem?

Immortals, The Series: A paranormal romance collection Jennifer Ashley, 2025-01-31

In the world of the Immortals, vampires, shape shifters, and other magical beings exist side by side with humans, sometimes benevolently, sometimes violently. The Immortal warriors were born and bred to keep the forces of death magic at bay, a challenge in a world that has forgotten what the Immortals were for. The Calling: Amber has never heard of the Immortals, ancient warriors who aid those in trouble summoned by the Calling spell. She only learns about them when Adrian, the oldest Immortal, crashes into the deserted warehouse where she's fighting the demon who murdered her sister and proceeds to wreak havoc. Amber is drawn to this hard-edged man who looks more like a biker than an ancient warrior and finds herself falling for his dark eyes, warm voice, and incredible magic. Together, they begin a quest to find Adrian's brother, Tain, lost for centuries. But they soon discover that the problem touches a far greater plan that puts the entire world in danger, a scheme that only the Immortals can hope to stop.

The Gathering: Leda Stowe loves living on her tiny island off the California coast, taking care of rescued exotic animals. But her peaceful existence is interrupted one night when a gorgeous man with a sword appears out of nowhere in her lion's enclosure. He is Hunter, one of the Immortal brothers, jerked away from his snug bed by the Calling spell thrown here when the spell was broken. He knows there's something wrong with the world, but he'd rather hole up on this quiet island with the beautiful Leda and let the world deal with it. All too soon, Leda and Hunter and the lion, Mukasa, must journey to the mainland to join Hunter's brothers for the final battle against evil to rescue the trapped Tain, which will call for Hunter to make a sacrifice that threatens to break him.
