You're Not Done Yet Dr. B. Janet Hibbs, Dr. Anthony Rostain, 2024-03-26. A clear-eyed optimistic guide for parents with adult children who need help navigating the challenges to launching an independent life. Times were already tough for young adults looking for ways to start living independent lives after high school and college; rents were up, wages were down, student loan debt was burdensome. Then the Covid-19 pandemic hit. A generation of young people were forced out of their classrooms, jobs, and social lives; returning home to live with their parents. Now many of these young adults carry the scars of the internal pandemic with increased anxiety and depression, poor coping, and the uncertainty of how to restart their lives. Parents want to help, but the old rules of advice-giving can clash with the need to respect their child's autonomy. In *You're Not Done Yet*, two leading adolescent and young adult mental health experts provide a practical and compassionate path to parents combatting the worry and frustrating isolation many feel when supporting their twenties-somethings. Hibbs and Rostain explain when and how developmental markers changed and invite parents and young adults to learn new, more effective ways of communicating with each other. Part I of the book covers the new normal of young adulthood with its educational and career changes. The new normal of parent-child relationship asks us to rethink our shoulds and, in the process, develop a closer relationship based on talking and listening to understand each other rather than being right. Part II addresses the common and challenging problems that arise when mental illness creates a drag on a young adult's progress and shows how parents may be engaged in their child's treatment. Packed with helpful information and step-by-step guides to specific problems, this book will be an invaluable resource for parents and their twenties-something children.

The Anti-Ableist Manifesto Tiffany Yu, 2024-10-08. I defy anyone who reads this powerful and urgently needed manifesto not to be galvanised into action. Sophie Morgan, TV host and author of *Driving Forwards*. A call to arms not just for the disabled community but for every single one of us. Dr. Shani Dhanda, broadcaster and author. An actionable antidote to fear and misconceptions. Service95. In *The Anti-Ableist Manifesto*, Tiffany Yu highlights the myriad ways in which our society discriminates against people with disabilities and what we can do about it. Foregrounding disabled identities that have too often been rendered invisible, she demonstrates how ending discrimination begins with self-reflection. From recognising biases to understanding microaggressions, *The Anti-Ableist Manifesto* teaches us how to deconstruct ableism at work, in our communities, and within ourselves. Featuring a foreword by Dr. Shani Dhanda, as well as contributions from disability advocates, entrepreneurs, and more, *The Anti-Ableist Manifesto* is an essential guide to going beyond mere awareness and becoming actively anti-ableist.
