With this new edition you'll also gain insights into secure hosting and bug fixing and be prepared for updates. That's not all you'll build a promotional landing page, ensure store safety, contribute to the WooCommerce community, and design custom plugins for your unique needs. By the end of this WooCommerce book, you'll emerge with the skills to run a complete WooCommerce store and customize every aspect of the store on the frontend as well as backend. What you will learn: Grasp the fundamentals of e-commerce website development with WordPress and WooCommerce. Configure the essential payment, shipping, and tax settings. Set up various product types depending on your store. Use Gutenberg product blocks to display products across various categories on your website. Develop WordPress plugins to customize your website's functionality. Use product data syncing for enhanced user experience and store performance tracking. Promote your products effectively using search engine optimization (SEO) and landing pages. Who this book is for: This book is for web developers, WordPress developers, e-commerce consultants, and anyone familiar with WordPress interested in building an e-commerce website from scratch. Working knowledge of WordPress development and general web development concepts is required. Basic Knowledge on FinTech TABF Editorial Board, Hank C.C. Huang, 2020-04-01 As the field of FinTech continues its progress, financial institutions must not only enhance their digitization but also make serious efforts to understand the resulting new opportunities it creates. In line with these developments, TABF has published the book *Basic knowledge on FinTech*, which was designed by us as a reference for the FinTech Knowledge Test. Co-authored by TABF staff and other experts, it features balanced and credible analysis, avoiding trivia and overly complex concepts while emphasizing readability. The content structure is based on the World Economic Forum (WEF)'s roadmap for FinTech development, adding in TABF's research findings plus other domestic and international trends and practices. Not only is *Basic knowledge on FinTech* suitable for financial proficiency testing, but it can also be used as a textbook in university courses supplementing theoretical knowledge with up-to-date practical knowledge in this rapidly changing field. **E-Commerce (Business Models And Business Strategy)** Dr. G. Thiagarajan, 2024-01-17 Although E-commerce is growing a lot, many business executives are still unclear about whether it fits their business model or how to take the next step. Make sure E-commerce will work for you before jumping in, given the fierce competition, cybersecurity risks, and uncertainty over whether your customer experience will remain high. Furthermore, it's critical to understand the fundamental forms of business models and how they operate in e-commerce if your company has only recently started. Especially in the beginning, this knowledge will assist you in making some fundamental business decisions. In actuality, e-commerce is the way of the future for all business models. Understanding how it best fits yours will enable you to stay ahead of the competition and sustainably encourage growth. Your business's operations are influenced by interconnected plans known as e-commerce strategies. There are three major e-commerce strategies to consider: product strategy, customer relationships, and corporate considerations. To guarantee the greatest results for your brand, each of these needs to cooperate with the others. Over the past few years, e-commerce has grown

dramatically Following the COVID 19 pandemic consumers purchasing patterns shifted to include a greater number of online sales of products and services The explosive development of smartphones and other smart devices over the past ten years together with the launch of the high speed 5G network have both contributed to the rise of e commerce E commerce is expected to grow even more as a result of advancements in digital and integrated payments the quick adoption of websites decentralized cross border trade and metaverse platforms The book is structured around five general E Commerce models and strategies We anticipate that students will gain better insight from this book regarding the topics covered in the syllabus

iPad Pro User Guide For Beginners Джим Вуд,2021-06-11 This book will help you explore some features of your iPad Pro that you probably didn't know existed and also get you started on your device in no time You can also buy it as a gift for that son or daughter of yours who already like fiddling with devices this book will get him or her up to speed in no time A Comprehensive User Guide and Manual for New Users of the iPad Pros Even though iPad Pros are great right out of the box you are likely to get more from them if you know how to use them by reading a book like this one So if you are someone who has recently acquired the new iPad Pro and now needs guidance on how best to take advantage of its many features that are not immediately obvious to ordinary end users Or you may even be someone who is not new to the Apple ecosystem but only just made an upgrade from previous versions of the iPad and it is beginning to seem as if Apple has completely changed the interface and removed or relocated some of your previous favorite features then this book was written with you in mind We all know that the iPad Pro from Apple remains one of the world's most renowned flagships when set up properly it can become more than being just a phone You can use it as a productivity tool in your business you can make it an indispensable social media aide e book reader and a travel companion All these can become possible once you learn how to better utilize the iPad Pro This book has been written as a step by step guide for you to go through what you need to navigate around the iPad Pro It covers many of the important features that users need to know and allows users to jump to any section of the book that they feel they want to focus on That means the guide is written in a way that even if you do not want to follow the order in which it was written you are still able to make the most of it Some of the included contents Simple and easy to understand step by step instructions on how to first setup your device Latest tips and tricks to help you enjoy your device to the fullest Using the Face ID Hidden features Organizing apps with the App Library Buying removing rearranging and updating apps Taking editing organizing and sharing photos Introducing some important Apple Services Using Siri And lots more This book will help you explore some features of your iPad Pro that you probably didn't know existed and also get you started on your device in no time You can also buy it as a gift for that son or daughter of yours who already like fiddling with devices this book will get him or her up to speed in no time Special Bonus That is not all we have a special gift for you something we believe you will love Click the Add to Cart button to purchase on your closeout or you can buy straight away with the Buy Now with a Click button to buy right away **iPhone: The Missing Manual** David Pogue,2017-12-18 iOS 11 for the iPhone
