Through detailed research and compelling storytelling *A Brief History of Basketball in Asia* highlights the sport's evolution against the backdrop of Asia's rich history and diverse cultures. This book is a must read for anyone interested in understanding the global impact of basketball and the unique ways it has flourished in Asia. **On the Court with...Dwight Howard** Matt Christopher, 2010-11-02 Dwight Howard was a high school phenomenon who soared head and shoulders above all other players to become the number one draft pick in 2004. Since joining the Orlando Magic, Howard has powered the team to its first NBA Finals in more than a decade. He's an absolute monster on the boards. And in 2009, he won the coveted Defensive Player of the Year award before he was even twenty-five years old. With plenty of seasons still ahead of him, there's no telling how high Dwight Howard will soar. If you want a close look at one of basketball's superstars, look no further. All the stats, quotes, and action are here, plus photos and career highlights. And because it comes from Matt Christopher, readers know they're getting the best sports writing on the shelf. **The Fix Is Still In** Brian Tuohy, 2019-06-04 In this long-

anticipated sequel to his jarring takedown of professional sports, *The Fix Is In* internationally recognized game fixing expert and scholarly authority Brian Tuohy further reveals the truths all sports fans need to know. Based on dedicated research and previously unreleased FBI files, each chapter exposes sports in a manner none of the major leagues' broadcast partners would dare attempt. No sport or league is spared as Tuohy rips through not only the likes of the NFL, NBA, MLB, NHL, and NASCAR but also the PGA, UFC, eSports, horse racing, boxing, and both NCAA football and basketball. Along the way, championships are revealed as frauds, referees are exposed as accomplices, and legends are demolished. No sports fans should watch another game until they read this book and understand what truly is being presented as pure in America's professional sports leagues.

The Comprehensive Guide to Careers in Sports Glenn Wong, 2009 As more students enter the growing field of sports management, there is a greater need for information informing them about their career choices. *Careers in Sports* provides an overview of what students should consider and expect from the varied career options available to them. This book answers the questions students are most likely to have, including what courses they should take, what areas are available to them, what salary can they expect to earn after graduation, and how they can get the job of their dreams. In the highly competitive field of sports management, it is important for individuals to prepare themselves well and to make the right decisions along the way. Although there are no guarantees of success, this book will increase students' likelihood of finding success in the sports industry. Encouraging research and realistic expectations, this book has been developed by an author with many years of experience as a respected practitioner, teacher, and internship coordinator.
